

Bidding tools outdated?

With AuctionFloor.com you can:

- Find live auctions worldwide by category, keyword or location
- Place absentee bids, even after the auction has started
- Request phone bids, even after the auction has started
- Get time estimates of when a lot will be auctioned
- Bid on lots live in real time (fast)
- Web Based live bidding platform supports Macs & without plugins or Java
- Our live bidding software lets you bid on multiple auctions at the same time
- Filter / Search lots of interest, then bid exclusively on just those lots

Look for the big red button
