

**“Secretly” Inspired,
One Woman Organizes a Campaign to Feed
3 Million of America’s Hungry Children in 33 Days
*Beginning November 29, 2006***

Just after Thanksgiving and throughout the holiday season for 33 days, **Spryte Loriano**, Founder of FEED 333, has organized a campaign to feed 3 million or more of America’s hungry children in 33 days by raising \$3 million.

Inspired by the groundbreaking new movie, “*The Secret*,” Spryte’s vision is a world where all children receive the nourishment for their bodies, to FUEL the expansion of their minds, to ignite the fires in their hearts, to live as the greatest possibility of their spirits!

13 million children in the United States, go to bed hungry every night. This campaign intends to change that, because one starving child is one too many.

In addition, to the efforts made over the 33 days before year-end, FEED333 is assisting the “**Miracle on 138th Street**”, an event sponsored by Feed The Children, feeding **10,000 people in New York City, December 21st.**

FEED333’s raised donations will be divided among three SELECT well-established, sound American based charities with **World Trust Foundation** acting as Fiscal Sponsor. We are partnering with **The Children’s Hunger Fund** (Named the #1 Charity in America by Forbes Magazine), **The Houston Food Bank** (tied for #2 Most Effective Charity in the US by Forbes Magazine) and **Feed the Children.**
