### **“The Beer Bible” – the perfect gift for the beer lover**

***The Essential Reference of Domestic Brewers and Their Bottled Brands*** (“The Beer Bible”) provides beer lovers the best information along with monthly updates

Asbury, NJ, December 13, 2006 (PRWEB)---Get complete information on craft and specialty beers in one of the most expansive collection of up-to-date information on today’s bottle beers, *The Essential Reference of Domestic Brewers and Their Bottled Brands*.

“This certainly has been a work of devotion for fellow beer lovers,” said Michael Kuderka, Publisher. “What’s even better are the monthly updates that make this a gift that keeps giving throughout the year.”

The book has recently been featured as a recommended holiday gift by *Stuff Magazine* and, just this past month, by *USA Today*.

“We are pleased to receive such wonderful accolades from the media – along with retailers and readers to date. We hope others will join in realizing how many styles and varieties of beer exist and are being released almost weekly by visiting [www.essential-reference.com](http://www.essential-reference.com) or calling 800-247-6553 to get our book and also get a free subscription to our Online Companion and Beer Alerts, which continually update with the most current information available anywhere,” commented Kuderka. You can also find the book on Amazon.com.

###

***The Essential Reference of Domestic Brewers and Their Bottled Brands (DBBB)™*** and its Online Companion, is the first hard cover beer reference to index and detail all U.S. beer brewers and their bottled brands, with listings broken out alphabetically, by beer style, by geographic location, and by individual Brewery Portfolios. It can be ordered at ([www.essential-reference.com](http://www.essential-reference.com)).
