**“Anti-Aging and Health Management Center Introduces Bio-Print Technology”**

Please contact Dr. Noam Sadvnik at 212-675-9355 or [drsadvn@myrenewalcenter.com](mailto:drsadvn@myrenewalcenter.com) to learn more about the Renewal Centers’ new Bio-Print technology. Below are ten suggested questions to get you started:

1. What are neurotransmitters and how do they make us feel younger or older?
2. What is a Bio-Print? What does it tell us about ourselves?
3. What exactly is “natural” hormone replacement therapy?
4. What is the difference between natural and synthetic hormones?
5. What changes will a person experience after receiving a Bio-Print and implementing the Renewal Centers program?
6. How do hormones affect our weight?
7. What does the Renewal Centers offer in their weight loss program that can’t be found elsewhere?
8. What are the VO2 tests used in the Renewal Centers fitness program?
9. How does the Renewal Centers fitness program rival other fitness programs?
10. With the VO2 test results and the high intensity interval training techniques taught at Renewal Centers, what kind of difference will an individual see in his or her training results?
