## Gage Phytolaboratories

### **"Nosebleed prevention available without prescription"**

Thank You for using the "Q&A for SmartPR" by Xeal Precision Marketing.  
Please contact Bruce Hudkins, MD at 1-800-685-4908 to learn more about NoBleed.  
Below are ten suggested questions to get you started:

1. Does NoBleed have harmful side effects?
2. Has NoBleed been tested thoroughly?
3. Where was the research conducted?
4. What results can HHT patients expect from NoBleed?
5. Does Gage offer other products?
6. What led you to research an alternative to estrogen cream?
7. Do other products on the market use the NoBleed formula?
8. Why does NoBleed not require a prescription?
9. How long has Gage Phytolabs been researching NoBleed?
10. What are your qualifications and credentials?
