Digital Application Package.
Faster. Easier.

Xap Transcript Exchange™

NEARLY THREE MILLION HIGH school students apply to college each year. More than one million college students transfer each year.

More and more college applications and resumes are sent electronically, but paper transcripts are still being printed, mailed and filed. State education agencies, schools and employers desire efficient and effective processing of academic records including transcripts for admissions, scholarships and hiring. Imagine a complete digital application package that makes processing faster and easier, freeing up valuable resources for other important tasks.
