### ▶ Why Whizlabs' Training?

"Whizlabs training is the best value for time and money. I not only passed the exam (got 96%) but also learnt a lot about Java 5.0 through this training."

- Bryan D (CA, USA)

"Excellent Resource"

- **Marcus Green** (Java Certification Expert)

Founded in 2000, Whizlabs is one of the global leaders in IT certification preparation and IT skill assessment. Over the last 6 years, we have contributed to the success of over 500,000 IT professionals from over 120 countries. We are an ISO 9001-2000 certified organization and in 2005, we were chosen as one of the most innovative Indian IT companies by NASSCOM.

SCJP 5.0 is one of the most reputed and foundation level Java certification exams available today. Thousands of individuals who appear for this exam every year prepare using multiple resources such as books, preparation kits, discussion forums and training programs. Preparing for the SCJP 5.0 exam is about both studying and practicing. Whizlabs SCJP 5.0 preparation kit has been ensuring the success of thousands of aspirants every year for over 6 years. To further its commitment towards learning, Whizlabs offers a unique self-study based online training for this prestigious exam.

The training is based on the latest pattern of the SCJP 5.0 exam and offers the following features:

- ✓ **Preparation Plan:** Complete hour by hour preparation plan from start till exam day, fully customized for you based on your weaknesses and strengths as determined by the Diagnostic test.
- ✓ **Recommendations:** Specific recommendations to improve upon your weaknesses and to build on your strengths with minimum possible efforts.
- ✓ **Video:** Training Video by the author of SCJP 5.0 exam preparation kit covering all the topics in just the required depth.

- ✓ **Efficiency:** The training takes away all the planning, scheduling, assessing and monitoring efforts such that you get full value out of every hour you spend.
- ✓ **Effectiveness:** The training supports you in keeping yourself on track and getting certified with minimum possible efforts in minimum possible time.

Whizlabs SCJP 5.0 preparation kit is an integral part of this training and is offered free with this training. The key features of the preparation kit are:

- ✓ **6 Full Length Simulated Tests:** In the exam preparation kit, you will find 432 unique and challenging questions spread across 6 mock exams. Mock exams are based on the latest certification pattern.
- ✓ **150 Quiz Questions:** Interactive Quiz allows you to revise and reinforce your understanding of the concepts under strict time-regulated conditions.
- ✓ **Quick Revision Tips:** You will get Quick Revision Notes to help you revise just before the main exam.
- ✓ **Detailed Explanation with Every Question:** For each and every question you will find exhaustive explanation elucidating the correct answer.
- ✓ **Tips N Tricks:** Tips N Tricks is a bunch of pointers to follow and pitfalls to avoid, while preparing and taking the exam. You can prevent mistakes by taking the smartest route to success which is already discovered.
- ✓ **Comprehensive Reports:** You can use the Comprehensive Reports in the kit to assess and gauge your progress over time and in each exam objective.
