BCS ProSoft Named Technology Pacesetter For 2006

San Antonio, TX—January 18, 2007—BCS ProSoft announced today that it was named a Technology Pacesetter for 2006 by Accounting Today magazine. BCS ProSoft is a National Partner for Sage Software, specializing in Sage MAS 90, 200, and 500, Sage SalesLogix, and Sage Abra HRMS. Additionally, BCS ProSoft is a rental industry software leader with its popular Automated Rental Management (ARM) solution.

"We're very pleased to receive the Pacesetter designation for the third straight year," said Clark Haley, president of BCS ProSoft. "As a company we strive to skillfully apply technology to solve our clients' tough business challenges and to be recognized among our peers is rewarding."

The magazine's editors recognized just 100 accounting software VARs in North America as Technology Pacesetter candidates. Factors that went into the selection included awards won by the organizations, leadership, industry reputation, sales per employee, and growth.

###
