"Educational toys and games most effective when matched with child's development"

Thank You for using the "Q&A for SmartPR" by Xeal Precision Marketing.
Please contact Les Minkus at 847-949-4556 to learn more about educational toys and games. Below are ten suggested questions to get you started:

1. How did you develop the concept of the Skills Profile?
2. Does it include suggestions for children with ADD?
3. Can other family members use the profile, or just parents?
4. What kinds of toys are included?
5. What criteria does the Smart Matrix measure?
6. Can parents of children with learning disabilities find suggestions on your site?
7. Who did you work with to develop the Skills Profile?
8. Do you have children of your own?
9. Why do you feel educational toys are crucial for development?
10. Should children be involved in the profile process?
