“THERE’S PUPPY-LOVE WHEN *THREE’S A CROWD*”

Greenwich, CT – (January 24, 2007) – Just in time for Valentine’s Day, Puppy Hugger™ presents *Three’s A Crowd*, a stylish, heart-shaped bed that offers a personalized, padded space for one, two or three teacup-sized dogs. With *Three’s A Crowd*, owners of multiple pets won’t ever need to worry about providing a comfortable – yet tasteful – space for their dogs, even within the limited confines of an apartment.

What better way is there to show your four-legged loved ones (or, perhaps, a pet-loving friend) how much you care?

Three’s A Crowd is perfect for dogs weighing up to five pounds. Heart-shaped beds are offered in two sizes and are custom-made with a fabric of your choice.
