

Have You Seen Your Parent Today?

**DOES THIS HAPPEN
TO YOU?**

- Have you ever been told that either of your parents is dead?
- Have you not seen or spoken to one of your parents for more than a week?
- Were you ever threatened that if you tell anyone about your situation that you or your family would be killed?
- Have you been prevented from using a telephone?
- Have you been prevented from speaking to any of your relatives?
- Do you feel afraid that if you say something you will be hurt?
- Have you been kept away from your family and old friends?
- Have you been isolated, and forced to be alone?
- Do you ever miss your Mom or Dad, but are not sure what to do?
