

Get Thousands Back in Taxes

Save Time. File Free Online.

The government has billions of dollars to return to working people. You just have to claim it.

What is the Earned Income Tax Credit (EITC)?

You can get up to \$4,536 back just for filing your taxes. The EITC is extra money you can get back from the IRS if you have worked in 2006.

Were you one of the 7 million eligible people that didn't file for the EITC last year?

Do you qualify?

	Single	Married Income	Maximum Credit
No Children	\$12,120	\$14,120	\$412
1 Child	\$32,001	\$34,001	\$2,747
2 Children	\$36,348	\$38,348	\$4,536

How to File Free with the Beehive:

Step One

Visit www.thebeehive.org/taxes and click "File Your Taxes Now."

Step Two

If your business makes under \$40,000 a year, you can file your Federal, State and Schedule C taxes for free. Get a free promotion code by answering a few easy questions. You'll also find out if you're eligible for the Earned Income Tax Credit.

Step Three

Start filing with *CompleteTax*. This easy-to-use tool should take no more than an hour. You can use the quick demo to get comfortable with the program, or just click for helpful tips along the way.

Visit the Beehive to find out how to *make the most of your refund*.
