NEW-U Village Enters Real Estate Market Via GoZoneProjects.com Website

Las Vegas, NV— (February 5, 2007) — Seeking to reinvest website profits into income-producing investments, NEW-U Products, LLC entered the real estate world today as clients of GoZoneProjects.com

“We’ve done our research”, company founder Frank Kenny stated, “and I’m convinced redevelopment of the GO Zone region is a no-brainer. We’re glad to have been informed of this resource and plan on being an active purchaser of GO Zone properties for quite awhile”

NEW-U Products, LLC creates and markets all natural, safe products that help people look great and feel even better at the www.newuvillage.com website. Their all-natural herbal supplements are specifically designed to bring out the NEW YOU in men and women alike.

GOZoneProjects.com is an online showcase for the very best in GO Zone real estate opportunities. The Gulf Opportunity Act of 2005 (commonly referred to as the "GO ZONE" act) was passed by Congress to help the affected counties in Alabama, Mississippi, and Louisiana rebuild after Hurricanes Katrina, Rita, and Wilma. The Go Zone Act provides investors and developers with tremendous tax incentives including bonus depreciation incentives allowing qualified investors to literally write off hundreds of thousands of dollars, while still turning profits on the property.
