Welcome to the Tozzi® Experience.

Experience the Results.

Tozzi®

your personal beauty prescription

A passion for beauty.

That's the secret behind the Tozzi® experience — and every product in the Tozzi® line reflects this passion.

Tozzi® is the latest and most advanced line of medical-grade skin care products, personally researched and tested by Donna Tozzi, B.S.N., R.N. Donna is known and respected worldwide for her pioneering work in the field of aesthetic medicine, as well as her dedication to leading-edge, personalized cosmetic services. Her commitment to delivering superior quality to patients at her renowned Tozzi Institute of Aesthetic Medicine was the driving force behind the creation of this amazing line.

Special anti-aging properties in Tozzi® products are designed not only to lavish the face with extra care, but also the neck, décolleté, and hands — areas often neglected by women and men. Each product is specially formulated with the latest breakthroughs in skin care science to help women and men of every age and skin tone attain a healthier, more youthful appearance. It's the Tozzi® philosophy that *you* should reveal your age, not your skin.

Donna's trademark is her promise that each formulation delivers the special treatment your skin deserves. Previously available only at the Tozzi Institute of Aesthetic Medicine and Skincare, Tozzi® provides the finest care for your individual needs, including daily skin care rituals to help fight acne and prevent and reverse the effects of aging, as well as specially formulated products to prepare your skin for cosmetic procedures and enhance post-procedure results. In addition, the skin care specialists at the Tozzi Institute are available to help clients design personalized Tozzi® beauty regimens for optimal results.

It's the Tozzi®
philosophy
that *you*
should reveal
your age,
not your skin.

The Tozzi Institute of Aesthetic Medicine and Skincare

Located in West Palm Beach, Florida, the Tozzi Institute is highly regarded as one of the finest training institutes in the nation for healthcare professionals and aestheticians. INAMED Aesthetics Corporation, a global leader in the aesthetics industry, recently selected the Tozzi Institute as their East Coast Training Facility and designated Donna as their educator for dermal filler injectables. Donna personally trains attendees in the most innovative cosmetic procedures and treatments, as well as how to enhance each procedure with Tozzi® skin care. Attendees and clients alike swear by the results.

Your invitation to beautiful skin

For an at-home skin care experience that goes beyond anything you've come to expect, Donna invites you to enjoy the benefits of Tozzi®, developed exclusively for the most discerning women and men.

Donna Tozzi, B.S.N., R.N., is the founder of the Tozzi Institute of Aesthetic Medicine and the creator of Tozzi® Skin Care and Supplements.

With more than 12 years of experience as a cosmetic nurse in this exacting industry, she is highly knowledgeable in the latest techniques and best practices. Patients of the Tozzi Institute benefit not only from Donna's specialized cosmetic treatments and procedures, but also from the enhancing effects of her skin care and supplement lines.

Donna has assisted some of the world's most renowned specialists, including

famed plastic surgeon Sherrell Aston, M.D., who caters to a celebrity-based clientele on Park Avenue in NYC; acclaimed plastic surgeon Robert Cooper, M.D., prominent cosmetic dermatologist; Ron Shelton, M.D., head of the New York Aesthetic Center in Manhattan; the prestigious Guylaine Lanctot Vein Cliniques; and Aesthetic Doctore in Milano, Italy. Donna is now bringing the new advances of the Tozzi® line to the United Kingdom.

Donna's passion for beautiful skin and her uncompromising commitment to high-quality skin care led to the development of Tozzi®, a line of medical-grade products unsurpassed in the industry. Donna is thrilled to be able to share her amazing beauty prescription with you.

Repair & Restore

Repair & Restore is the advanced new wave in antioxidant, anti-aging skincare technology. With years of clinical experience to guide her, Donna Tozzi has created this line especially for the cosmetic patient who wishes to employ the most beneficial skincare steps before and after a procedure. This is an ideal product line for those interested in an anti-aging regimen that increases hydration and healing qualities, especially when used for three days pre- and post-procedure, including Botox® injections, dermal fillers, facial mesotherapy, and skin peels. Also, it is extremely helpful to those who suffer from dermatological conditions, such as rosacea.

Repair & Restore is a patent-pending formulation of CoEnzyme-Q10 [Co-Q10] and 90% polyphenol isolates derived from green tea, which offers potent antioxidant and anti-inflammatory properties. Polyphenol isolates are perfect for

preparing the skin before cosmetic procedures, as well as preventing the redness and swelling that often follows these procedures. **Repair & Restore** is extremely beneficial when massaged into skin after facial mesotherapy because it helps lock in the crucial amino acids and moisture injected with the treatment.

Repair & Restore will enhance the desired outcome of your cosmetic procedure, as well as increase its longevity.

Note: Recent studies suggest “tea polyphenols are strong antioxidants more powerful than Vitamin C and Vitamin E.”* Studies further suggest that the tea polyphenols have an anti-inflammatory effect and can reduce “UV-induced erythema and sunburn cell formation in human skin.”**

**Journal of the American Academy of Dermatology* 2003, 48:1-19.

.5 Fl. Oz.

☀ am

🌙 pm

eye serum

hyaluronic acid Co-Q10

A hyaluronic acid and Co-Q10 vitamin-enriched serum that feels like silk as it brightens and clarifies the skin around your eyes. In addition, it flushes under-eye fluid to reduce puffiness and helps combat dark circles brought on by stress, late nights, and bad nutrition.

Application: Apply morning and night.

Tozzi Tip: Refrigerate Eye Serum before applying. Starting from the inner corner of the eye, use moderate pressure with the pad of your finger to pat the cream toward the outer corner of your eye, and then proceed from inner to outer brow bone. Allow to set 10 minutes, then cleanse. You will reveal refreshed, “I just had eight hours of sleep” eyes. Also, perfect as a lip mask after lip augmentation.

6.7 Fl. Oz.

☀ am

🌙 pm

fortified cleanser

with green tea polyphenols
vitamins A, C and E, and Co-Q10

A rich, soap-free cleanser with a fresh, clean scent. Designed to gently cleanse and moisturize the skin without drying, this antioxidant formula contains a blend of liposomal vitamins A, C and E, green tea, and white tea in combination with Co-Q10. This cleanser is exceptional at reducing redness, shrinking pore size, and diminishing fine lines while smoothing the skin and returning it to its natural balance.

Application: Apply morning and night on face, neck, and décolleté.

Tozzi Tip: Great for women and men to use in mixture with shaving lotion to prevent redness and irritation. Also, perfect to use three days pre- and post-treatment for cosmetic procedures, such as Botox® injections, dermal fillers, chemical peels, and facial mesotherapy.

green tea cream

90% polyphenol isolates-
EGCG, EGC, ECG, EC
hyaluronic acid soy phospholipid

Formulated for dry to normal complexions of every skin tones, **Green Tea Cream** provides a nourishing infusion perfect for combating the signs of aging - even for the most sensitive skin. With its blend of polyphenols, the cream is also very effective at reducing the redness that can result from cosmetic procedures or rosacea.

Application: Apply morning and night and after a cosmetic procedure.

Tozzi Tip: Apply consistently, three to four days before and after cosmetic procedure and walk away with reduced redness and irritation. Perfect for keeping those lunchtime procedures a secret, including Botox® injections, fillers, peels, and even waxing. And for you jetsetters, simply apply before your next flight and enjoy the feel of refreshed and hydrated skin when you land.

1 Fl. Oz.

green tea serum

90% polyphenol isolates-
EGCG, EGC, ECG, EC hyaluronic acid

Specially designed for oily to acneic skin of every color, this anti-aging cocktail will return even the most sensitive skin to a state of beauty and youth. With its blend of polyphenols and vitamins, the serum will provide your skin with an invigorating soak back to a youthful glow. The serum is wonderful in combating the redness associated with cosmetic procedures and rosacea.

Application: Apply morning and night.

Tozzi Tip: Place on any cosmetically treated areas for cooling relief and the prevention of redness. Men can use after shaving and finally be rid of razor burn. Perfect to use for three to four days before and after cosmetic procedures, such as Botox® injections, dermal fillers, chemical peels, and facial mesotherapy. Also, apply before a flight to prevent high-altitude dryness.

1 Fl. Oz.

spf 30

broad-spectrum protection
uvb & uva micronized zinc oxide

Tozzi® sunscreen is formulated with a moisturizing formula of 17% micronized zinc to provide the highest level of broad-spectrum sun protection. **SPF 30** also includes a rich blend of skin-quenching free-radical antioxidants with liposomal vitamins A, C and E, green tea extract, and Co-Q10. Chemical free and oil free, it is ideal for all skin types, as well as for post-procedure use.

1.6 Fl. Oz.

Application: Apply in the morning.

Tozzi Tip: For extra protection, apply immediately after cosmetic procedures, such as Botox®, hyaluronic acid fillers, skin peels, facial mesotherapy, and microdermabrasion.

OrangeAid

Formulated with a patented polymer-matrix technology, the OrangeAid line is gentle and easy to use, providing an enhanced delivery of stabilized L-ascorbic acid into the skin. The inclusion of Vitamin C, a powerful antioxidant, helps neutralize the damaging effects of free radicals, sunlight, and stress, as well as the unstable chemicals that result from smoking. In addition, studies suggest that Vitamin C has the potential to stimulate the growth of collagen. All of the products within the OrangeAid line contain liposomal vitamins A, C and E, green tea extract, and Co-Q10.

The OrangeAid line also offers Cell Rejuvenation Serum [CRS], a new generation in anti-aging skincare. The chemists at Tozzi®

have combined L-ascorbic acid serum [10%, 15% and 20%] with liposomal-encapsulated Human Growth Factor [TGF beta-1]. Research suggests that TGF beta-1 can play a significant role in the stimulation of collagen growth and strong tissue structure, resulting in healthier and younger looking skin. Preliminary investigational data from a split-face comparison indicates up to a 30% increase in new collagen formation and a 50% reduction in the appearance of wrinkles when using CRS.

The OrangeAid line provides a full spectrum of care for the rejuvenation and restoration of radiant and youthful skin.

☀ am

🌙 pm

antioxidant cleanser

antioxidant pure vitamin-rich
age defiant with liposomal
vitamins A, C and E,
and Co-Q10

This mild, soap-free formula is designed to gently and effectively cleanse the skin without drying. Delicately scented with light, natural citrus extracts, it leaves skin feeling clean, smooth, and moisturized.

Application: Apply morning and night. Rinse with cool water and pat dry.

Tozzi Tip: Use the pads of your fingertips to gently massage your face while cleansing to help stimulate drainage of the lymphatic system and increase circulation to help achieve a glowingly beautiful complexion.

6.7 Fl. Oz.

☀ am

🌙 pm

antioxidant facial toner

antioxidant pure vitamin-rich
age defiant with liposomal
vitamins A, C and E,
and Co-Q10

Specially formulated with a blend of water-soluble antioxidants and extracts to gently cleanse and tone the skin. This refreshing citrus toner is formulated to leave skin soft and smooth as it awakens your senses.

Application: Apply morning and night. Slightly dampen a cotton pad with toner and apply to face, neck, and décolleté.

Tozzi Tip: Place toner in refrigerator for a refreshing treat. Use immediately after cleanser to return skin to its natural balance.

1.6 Fl. Oz.

☀ am

🌙 pm

10% cream

antioxidant pure vitamin-rich
age defiant with liposomal
vitamins A, C, E, and Co-Q10

This nourishing emollient cream contains stable L-ascorbic acid at therapeutically effective concentrations. Cosmetically elegant, the cream's secret formulation helps achieve smoother, more radiant looking skin.

Application: Apply a dime-sized amount to your face as a daytime anti-aging moisturizer, followed by **SPF 30**.

Tozzi Tip: Created for those with more sensitive skin, but perfect for preparing normal skin for the higher concentration formula of **15% Cream**. For those with no time for regular spa maintenance, apply a medium layer of cream to clean skin before bedtime to create your own at-home peel/mask. Leave the cream on overnight and in the morning, remove with **OrangeAid Cleansing Pads** to reveal a more youthful and refreshed you.

1.6 Fl. Oz.

☀ am

🌙 pm

15% cream

antioxidant pure vitamin-rich
age defiant with liposomal
vitamins A, C, E, and Co-Q10

This more intense nourishing emollient cream contains stable L-ascorbic acid at slightly higher therapeutic concentrations. Cosmetically elegant, the cream has a secret formulation to help achieve smoother, more radiant skin.

Application: Apply a dime-sized amount to your face as a daytime anti-aging moisturizer, followed by **SPF 30**.

Tozzi Tip: Formulated for those with more resilient skin — or for those who don't mess around with the lighter stuff. For your own at-home peel/mask, apply a medium layer to freshly cleansed skin before bed. Remove in the morning with **OrangeAid Cleansing Pads**. You will be amazed at how refreshed you'll look.

.5 Fl. Oz.

☀ am

🌙 pm

eye cream

antioxidant pure vitamin-rich age defiant with liposomal vitamins A, C and E, and Co-Q10

A rich, emollient, mineral-based formula that camouflages fine lines and delivers the soothing benefits of cool cucumber and relaxing chamomile extracts.

Application: Apply morning and night. Start from the inner corner of your eye. Use moderate pressure as you pat with the pad of your finger to apply the cream toward the outer corner of your eye. Apply in the same fashion to the brow bone, moving from inner to outer brow. This will help eliminate excess fluid in the eye area, giving a brighter, wide-eyed appearance. Never apply directly on the eyelid.

Tozzi Tip: For a fabulous eye brightener, place the eye cream in the refrigerator and apply a thick amount to make an eye mask. Apply cautiously around the eye area, avoiding direct contact with eyes and eyelids. Leave on 8-10 minutes, then remove gently with a moist cotton pad. This is great in the evening before a night out on the town or after a long day of reading reports.

60 Pads

☀ am

🌙 pm

cleansing pads

antioxidant pure vitamin-rich age defiant with liposomal vitamins A, C and E, and Co-Q10

A blend of antioxidants and citrus extracts infused in an easy-to-use pad that gently cleanses and tones the skin. A speedy way to cleanse and prepare when you are on the go!

Application: Smooth over face, neck, and décolleté anytime during the day.

Tozzi Tip: Invigorating if kept in the refrigerator, especially for an amazing midday wake-up call. This is a great take-along for gym-goers, and the perfect bare essential to keep in your purse or briefcase for those late nights at the office or unexpected getaways!

10% serum

with growth factor liposome-encapsulated TGF beta-1

Cell Rejuvenation Serum, in combination with TGF beta-1, creates an anti-aging cocktail you won't want to miss. Strong enough to stimulate collagen growth and strong tissue structure, but gentle enough for sensitive skin. It is light, silky, fast absorbing, and specially formulated to boost skin texture and tone.

Application: Morning or night, once daily is sufficient to achieve that renewed look. Apply a dime-sized amount of serum to face, neck, and décolleté.

Tozzi Tip: Designed for sensitive skin, but perfect for preparing normal skin for the higher concentration found in **15% serum**. Use after **OrangeAid Cleanser** and **Toner** for a total effect. Extra serum left after application? Don't let that anti-aging gold go to waste! Smooth the remaining amount over hands. After all, if our faces don't give us away, our hands surely will. So, keep those traitors in line and always apply excess product to hands after treating your face.

1 Fl. Oz.

am

pm

15% serum

with growth factor liposome-encapsulated TGF beta-1

An extra-strength serum formulated with TGF beta-1 to create a powerful restorative for normal skin. Intensely stimulates collagen growth and tissue structure.

Application: Morning or night, once-a-day application provides plenty of treatment for your skin. Apply a dime-sized amount of serum to face, neck, and décolleté.

Tozzi Tip: Use after **OrangeAid Cleanser** and **Toner** for the total effect. Like **10% Serum**, you can give hands a restorative boost by smoothing on any excess **15% Serum**.

1 Fl. Oz.

am

pm

20% serum

with growth factor
liposome-encapsulated
TGF beta-1

Turbo-charged skin repair system with growth factor TGF beta-1. Creates an immediate glow to your skin. Tightens and tones upon application, while invisibly stimulating collagen production and performing tissue repair.

Application: Only available in the Tozzi Institute of Aesthetic Medicine due to the intensity of the product.

Tozzi Tip: For more information about how you can benefit from this extraordinary product, contact the skin specialists at Tozzi®. Call **888-517-8600** or visit us online at **www.tozzi.biz**.

*Only at
Tozzi Institute*

antioxidant body lotion

antioxidant pure
vitamin-rich age defiant with liposomal
vitamins A, C and E, and Co-Q10

A cosmetically elegant, light, hydrating, soothing, and oil-free formula recommended for all skin types. This formula aids in the restoration of healthy, glowing skin.

Application: Apply to desired areas of your body, morning or night. Do not apply to face. Especially effective after a shower or bath, while skin is still moist, to increase moisture level and hydration.

Tozzi Tip: For extra indulgence, use this elegant formula after using **Polish Glycolic Body Wash**. Also, to achieve that California Girl glow — without the wrinkled aftermath — mix the lotion with **Good Sun Self Tanning Lotion**. Not only will this create an amazing glow, but also enhance the longevity of your sunless tan.

6.7 Fl. Oz.

Lighten

Take it down a notch and get rid of those annoying spots that seem to grab your attention every time you glance in a mirror. In fact, make them disappear with your own secret spell — **Lighten**. This hydroquinone formulation will lighten hyper-pigmentation without irritating or drying your skin, as others of higher percentage will do.

2 Fl. Oz.

am

pm

hydroquinone 2% with SPF15

Application: Apply morning and night to pigmented areas of face, décolleté, hands, and legs. Consistent usage is best to achieve fading of pigmentation. The most effective schedule to follow is three months on and three months off.

Tozzi Tip: Mix a pea-sized amount with **OrangeAid TGF beta-1 10% Serum** or **15% Serum** for an increase in clarity and decrease in pigmentation. Or, apply directly to pigmented areas at least five minutes after cleansing and toning.

Divas don't have time for acne. **PoreStar** offers the power to clear acne-prone skin without dryness or irritation. Whether you are 16, 25, or 50, this formulation will fight acne, while maintaining hydrated skin.

7.75 Fl. Oz.

am

pm

10% facial wash

aloe-based gel with
10% benzoyl peroxide

When hormones are raging and skin is suffering, take action with this therapeutic cleanser. The special blend of 10% benzoyl peroxide in an aloe-vera-based gel is specially designed for the treatment of acne. Your pores will love it and so will you!

Application: Apply morning and night. Rinse face with cool water and pat dry. Please discontinue use if skin becomes irritated.

Tozzi Tip: Apply cleanser to damp skin. Do not over-massage face as this can be too stimulating for acne-prone skin. This cleanser is beneficial to use anywhere acne makes an appearance, including neck, décolleté, shoulders, and back.

2 Fl. Oz.

am

pm

5% gel

5% benzoyl peroxide

When you need “on-the-spot” help, the 5% benzoyl peroxide in this gel helps keep those pores in control without drying your skin. Regular use helps make those last-minute date cancellations due to an unexpected breakout obsolete.

Application: Apply morning and night to your clean, dry face directly on problem spots. Or, apply a very thin layer to the entire face as a topical anti-bacterial treatment before make-up to deter other blemishes from making an appearance.

Tozzi Tip: If you happen to have occasional breakouts from hormonal changes, especially on the jaw line, spread a pea-sized amount over the affected area before make-up application.

3 Fl. Oz.

am or pm

let's face it

mint clay mask

Put your best face forward. This mask is a taskmaster that cleans and tightens pores while absorbing excess oil.

Application: Apply to cleansed and toned skin. Smooth a thin layer over the face and neck, avoiding the eye area and upper lip area. Let mask take full effect for 8-10 minutes. Rinse with cool water and pat dry. Those with normal skin can apply the mask one to two times a week. For oily or acneic skin, the mask can be used two to three times a week.

Tozzi Tip: After rinsing, apply [PoreStar Whip Cream Moisturizer](#) for a clean, oil-free glow. Perfect for helping you prepare for your next red carpet event.

lucky charms

gly-sal 2-2
acne medicated pads

Medicated acne pads give your face a new lease on life with the time-proven effectiveness of salicylic acid blended with the skin enhancement properties of glycolic acid.

Application: Smooth over clean skin morning and night.

Tozzi Tip: Follow [Lucky Charms Medicated Pads](#) with [PoreStar Whip Cream](#) to give your skin the natural balance it has been begging for.

60 pads

am

pm

super lucky charms

gly-sal 10-2
supersonic acne medicated pads

You won't need a body double when using these supersonic medicated acne pads for the décolleté, shoulders, and back. The time-proven effectiveness of salicylic acid is blended with the skin enhancement properties of glycolic acid to fight acne.

Application: Apply once or twice daily, especially after showering. Do not apply to face.

Tozzi Tip: If you have a tendency to break out on your shoulders and back [high activity of oil glands], wear cotton clothing, especially when exercising. After physical activity, immediately use a [Super Lucky Charms](#) pad on clean skin to help heal existing acne and fight the onset of new breakouts. Also effective in treating those tiny bumps that may appear on the derrière, especially after an intense spinning class.

60 pads

am

pm

skin flicks

glycolic 10% pads
with vitamins
A, C and E, & Co-Q10

When your pores are looking big and you need spot treatment, **Skin Flicks** take charge in one swipe. These miracle pads are soaked in a specific formulation for on-the-spot action to help remove excess oil, exfoliate skin, and minimize pores, while toning and softening skin. Perfect for maintaining that “in control” look of a calm complexion for those with a stressful lifestyle.

Application: Apply morning and night.

Tozzi Tip: Apply as your daily toner or before make-up application for an extra glow and matte finish!

60 pads

made in the shade

oil-free spf 30

Trying to block the sun without drying your face? This dual-action moisturizer and SPF 30 in an oil-free formula boosts skin’s moisture while blocking damaging rays. Just one ounce of prevention every morning gives you all-day protection.

Application: Apply one ounce every morning to face and body.

Tozzi Tip: Apply evenly to face [before make-up], neck, décolleté, and body 30 minutes before going outside. Don’t forget those hands; remember they can be your number one, age-defining giveaway. Just swipe a little extra lotion on the tops of your hands after finishing with application.

🌙 pm

whip cream

ultra-light
oil-free facial cream

Did you know that oily and acne-prone skin can actually become dry and flaky? You don't have to lose that lovin' feeling of smooth, soft, and supple skin. [Whip Cream](#) is an ultra-light face cream specially formulated with the vitamins and antioxidants oily skin can't live without. A rich blend of antioxidants, including liposomal vitamins A, C and E, green tea extract, and Co-Q10, also assists in minimizing free-radical-induced skin damage.

[Application](#): Apply morning and night.

[Tozzi Tip](#): Apply a small amount on face, neck, and décolleté after using [Skin Flicks](#) or [Let's Face It Mint Clay Mask](#). Apply any leftover [Whip Cream](#) to the top of your hands.

Get the tan without the guilt — or the wrinkly aftermath. Achieve that wonderful, natural glow without even leaving the house.

Want the glow without the damaging rays? Just minutes to apply, **Good Sun** gives you the glow when you are on the go. You no longer have to stress over finding the time or money to be a bronzed goddess.

4 Fl. Oz.

☀️ 🌙 am or pm

self tanning lotion

Application: Apply after shower or bath. Be sure a thin layer is applied evenly to achieve full coverage. Wash hands thoroughly after application. Results will appear in two to three hours.

Tozzi Tip: For the face, use a nickel-sized drop mixed with **PoreStar Whip Cream** and massage evenly into the face after cleansing. Before application to the rest of your body, mix **Good Sun** with the **Orange Aid Body Lotion**. The addition of moisturizer will give you an even more vibrant look and help maintain a long lasting glow.

If your skin looks dull and boring, Polish it up with this glycolic wash that will uncover your skin's natural beauty. Your silky-smooth skin will be anything but dull!

8 Fl. Oz.

☀️ 🌙 am or pm

glycolic 10% body wash

Application: Apply to your skin, avoiding your face, in the shower or bath three to four times a week. Massage over the entire body, then rinse with cool water.

Tozzi Tip: For great exfoliation of the entire body, dry brushing* is recommended before showering or bathing. After utilizing the polish, dry off and apply **OrangeAid Body Lotion** to help retain moisture. Also a great way to prepare your skin before using **Good Sun Self Tanning Lotion**.

*Dry brushing is done with a dry brush, starting from your lower extremities upward — and don't forget the derrière. Brush in upward strokes to stimulate lymphatic circulation and decrease the appearance of cellulite.
