

UID Labels, Nameplates and Tags

[www.Camcod.com](http://www.Camcod.com)

## Why Camcode UID Labels?

### Choice

- Extensive inventory of metals, plastics, adhesives and fabrication tooling
- Aluminum, Stainless Steel, Polyester, Polyimide and other specialty materials
- 30 different industrial adhesives for most applications

### Compliance Guarantee

- Every order is validated for format compliance and verified for quality
- Label material is matched to your application to last "the life of your product"

### Reliability

- Every order is preceded by a production proof for approval showing every aspect of your part from graphics positioning to bar code encryption

### Performance

- Camcode label materials are the most widely specified of all materials for DoD applications
- Resistance to weather, heat, fuels, sunlight, abrasives and more

### Custom Work

- Labels for unusual requirements. Military camouflaged, security labels, paint resistance, and others

## ***Why Camcode UID Label Printing Service?***

### ***Experience***

- Camcode was first in the market in 2004 providing UID labels
- Hundreds of UID jobs already completed
- Our marketing, sales, production and quality staff averages 15 years of custom label experience

### ***Expertise***

- Label jobs are reviewed by label engineers and technicians trained in graphics, bar code design, fabrication and adhesive performance
- Large library of military specifications, OEM standards and specifications, and ISO documents
- Camcode's familiarity with documentation from Raytheon, Boeing, Lockheed, Sikorsky, Pratt and Whitney, DRS and others helps insure you job is done right

### ***Service***

- Consultation for your application is free
- Strict adherence to your delivery requirements
- Firm, clear price quotes
- Cost saving suggestions

### ***Care***

- Your compliance issues are our compliance issues. Your success is important to us
- We have partnered with the best of the best for equipment, software, readers and marking equipment

**We Make UID Compliance Easy**
