Commission Structure:
Commissions for shared exchange hosting for direct or reseller clients are paid in 2 parts:

1. We pay a $5.00 commission on each trial sign up.
2. From months 3-6 we pay 10% commissions on the revenue you generate.

Commissions for dedicated exchange hosting for direct or reseller clients are paid in 2 parts:

1. We pay a $50 commission for each dedicated exchange server contract which is signed.
2. We will also pay 10% of any revenues generated for the three months of usage.

Alternative Commission Structure:
For those interested, we offer an alternative commission structure at a flat **50% commission** on the first 2 months of service with no commission for non-paying signups. Please note that this 50% commission is **NOT** available for the dedicated server sales, which will remain at the 10% level. If you are interested in moving to this alternative structure, please contact us through the SAS console or email us at apm@123together.com.

About our services:
Where we set ourselves apart from other hosting companies is that we focus on Microsoft

Exchange hosting. We also have a private/white label reseller program that allows consultancies and other web hosts to integrate our Exchange service into their existing service and control panels through our custom API.

We offer a 30 day trial to our shared users and support synchronization with Blackberry and Windows Smartphones. Below are some of the features & prices we offer our customers:

Our Hosted Exchange service includes outstanding features such as:

- **Universal Mail Access**: Anytime, Anywhere access to all of your e-mail folders, files, contacts and calendar via Microsoft Outlook or any browser
- **Groupware & Collaboration** : share any of your e-mail folders, files, contacts and calendar with any co-worker, project, or within a department
- **Virus Scanning**: Because e-mail is the most common method of spreading viruses, we include scanning of all incoming and outgoing e-mail
- **Server Backup**: When was the last time you backed up all of your crucial e-mail? We backup everything daily.
