A World of possibilities

Welcome

Rose Marie Pérez
Chairman & Founder

It is a great honour for me to show you, through and from this medium, TOTALPRESTIGE and present you the activities we are carrying out in the Service Sector. We are operating for you from New York, Los Angeles, London, Barcelona and Berlin where we are present through partner, holding and collaborating companies.

We were born in my native Switzerland one day in 1993 in which fate made a group of enthusiast Executives and Managers joined together spontaneously. We all had the same way of life with extremely high quality in our achievements. We were all sybarites of the well-doing and good pleasure and we all had a common aim: to foster to the maximum our contacts and relations, personal as well as business ones, in order to obtain greater achievements, that is, to be able to arrive at greater objectives based on the expansion of business opportunities between a potential group we could form.

A dream grew in me, with the hopes of a young graduate with a master's degree in Public Relations, Communication and Protocol. I was enterprising and I was in love with my idea. I was able to believe and I went for it. I committed myself to our "CLUB", to our influence circle so that everything in our company and in our way of life would be the best.

Our beginning, as all the beginnings, was hard, tenacious, constant, evolving through our plans until we found out how to bring together our experience until nowadays. We have been applying in the everyday job clear philosophies in the way we work: seriousness, respect, dedication that, without any doubt, have been and still are the key to our growth, our success and the expansion of our company.

In our expansion, we moved our headquarters to the USA in April 2005, forming Totalprestige LLC. We now have an active presence in the best markets. With central offices we are present in New York, Los Angeles, London, Barcelona and Berlin and with the hope of expansion to other countries and markets we became TOTALPRESTIGE INC in November 2006.

If you are looking for trusted business connections and the ultimate in luxury leisure, personalized travel, entertainment-related services, and VIP Hospitalities, then I invite you to be one of our cardholders and why not, also a shareholder.

Respect for a work done with quality and strength, continuous investments in resources, an enterprising spirit, an excellent collaboration with our represented companies and a professional, prepared, dynamic and continuously developing human team are some of the mainstays we lean on to make **TOTALPRESTIGE** a solid, powerful and efficient company.

TOTALPRESTIGE has discovered a unique "art hotel" on the paradise island of Koh Samui in Thailand: Nathalie's ART PALACE, **owned by Nathalie Gütermann** - a renowned European TV-Producer and lifestyle journalist and descendant of one of Europe's oldest entrepreneurial families.

Recently she has converted her private palatial-style Thai residence into a hip and happening small luxury guesthouse that is upbeat, funky, fashionable and very colourful!

Since the opening in January 2006, it has become the favourite haunt of fun, young & beautiful people from all over the world including numerous musicians, celebrities and members of the fashion, media, and entertainment industry. The press calls it Samui's one & only "hip hotel".

Nathalie's guests are accommodated in 18 deluxe "art" rooms, spread over the 2nd and 3rd floor. All rooms are individually decorated with high quality reproductions of world-famous painters to offer the modern traveller an alternative definition of luxury. Depending your personal taste, book the "Van Gogh Suite", the "Warhol Suite", the "Renoir Suite", the "Monet Suite", or the "Dali Suite"! In addition, 2 VIP Villas with 2 or 3 bedrooms are available for the holiday season in December 2006.

Comfort is the utmost priority. In this truly private setting, you can kindle romance, explore your thoughts and rebuild your energy. But it's not only the funky colour-code, the trendy lounge atmosphere and the unique art-concept that has "allure".

The house has been blessed by Buddhist monks and the moment you enter the lobby you'll feel the positive energy that surrounds you everywhere.

For those who live large but like things intimate and exquisite, there is no better place to stay than in such a sophisticated boutique hotel which also offers access to exceptional lifestyle programs and the owner's insider tips. TOTALPRESTIGE

BUSINESS & LUXURY LIFESTYLE CLUB

Our Group / THE "INNER" CLUB

Our Circle of Influence

TOTALPRESTIGE is conceived as a Service Firm but at the same time it has its own life, not only for the companies to which it renders service but also to all the members and people who have their own objectives to reach in their lives. That is why, **TOTALPRESTIGE** is far from being a "company" in the strict and cool sense of the word. We have wished for so many years to create what we call **OUR CIRCLE OF INFLUENCE: THE "INNER" CLUB.**

With the passing of time and the acquired experience we realised, either in every performance we have organised or in the conventions we have been, or just in the parties **TOTALPRESTIGE** has prepared for the companies, that the human relations are the most important, not only leisure relations but business ones as well.

In this last section we have been able to establish the difficulty that sometimes entails reaching the Sales Executive or the General Manager of any company. It is a work and an effort that takes days, months and strategies so that we can finally offer you our product, our ideas, our hopes.

That is why for more than 13 years, as we have said in our corporate book, we have joined together under the same roof people from the middle and the upper social classes, even including celebrities. With all of them we have formed **OUR CLUB. THE CLUB** of influences in **TOTALPRESTIGE** is an elitist, perfectionist and high level club where everyone can contact the person they want and where it is easier to access in a different way to many social, sports, cultural meetings and events of any type. The best options in Official Hospitality, Red Carpets, VIP access, etc.

That is why, through and from these pages, **TOTALPRESTIGE** wants to thank all the active members already registered who trusted us and who make us feel more strengthened and at the same time very proud so that we are able to undertake more responsibilities and make an effort to create more activities. For all of them, we would show **"THAT DIFFERENT WAY OF LIFE"** they share with us.

We want to give the future and potential new members the opportunity to get to know the activities we offer and we weight up for you. We hope that you will join us in **"THE CLUB"** very soon, that is why, feel welcome to **TOTALPRESTIGE** and we hope that your stay with us, with the better membership that suits your needs and wishes, would be as easier, productive and happy as possible. It is very proud for us to have you as those priority friends with whom we sometimes enjoy so many things.
