**LEADING GRAPHIC ARTS COMPANIES ADD THREE-KNIFE TRIMMING,
PAPER HANDLING EQUIPMENT FROM COLTER & PETERSON**

*North America's Largest Distributor of Paper Cutters and Related Equipment Completes Installations
at Several Commercial Printing and Post Press Companies*

Paterson, NJ - Colter & Peterson (www.colterpeterson.com), the largest independent distributor of paper cutters, three-knife trimmers and paper handling equipment in North America, has recently completed installation of various three-knife trimmers and paper handling equipment at several leading commercial printing companies/trade binderies.

VN Printing, Houston, TX, recently purchased a new Horauf Demand three-knife trimmer. This is the second three-knife trimmer the company has purchased from Colter & Peterson in the past two years.

Regal Printing, Omaha, NE, installed a new Baumann paper squeeze roll jogger and a Baumann unloader, as well as oversized stainless air tables. This combination of equipment will help increase Regal's productivity on their current paper cutters by as much as 100%.

C&C Bindery, Tucker, GA, recently installed a new Horauf Demand three-knife trimmer to increase the versatility and productivity of their adhesive binding services.

Delaware Valley Bindery, West Trenton, NJ, recently installed a new Wohlenberg Trim-Tec 60i three-knife trimmer.

Vince Payne, Vice President and Central Region Sales Manager for Colter & Peterson, said the installations represent a commitment to constant improvement by some of the industry's leading service providers.

"State-of-the-art equipment is essential to offering customers the highest-quality finished products and highest level of service possible," said Payne. "Colter & Peterson is proud to be a part of the success of these companies, both now and in the future."

About Colter & Peterson: Colter & Peterson (www.colterpeterson.com) is the largest independent distributor of paper cutters, three-knife trimmers and paper handling equipment in North America. Founded in 1932, C&P now employs over seventy five people working out of five locations in New Jersey, Iowa, California and Toronto, Canada. C&P is the manufacturer of the Microcut line of retrofit back gauge controllers and the worldwide distributor of Prism, Saber and Maxima paper cutters. It is also the North American distributor for all Wohlenberg, Baumann and Schneider Engineering products. C&P has purchased the Harris-Seybold and Dexter-Lawson line of paper cutters and provides service and support for those models of machines as well.
