DIRECTIONS: Advanced Cleansing Clay

- Removal of dirt, debris, grease, makeup and environmental residues.
- Reduction in the appearance of pores.
- Revealing of healthier looking skin.

OILY SKIN

Use 1 – 2 times daily as needed.

1. Wash hands. Splash face with tepid water. Lightly pat away excess water with clean towel.
2. Rinse brush thoroughly and tap out excess water.
3. Dispense quarter size portion of Cleansing Clay onto back of non-dominant hand. Dip brush into clay and paint thin layer over face being certain to paint hairline, chin and part of neck. AVOID EYES. Allow to quickly dry.
4. Once dry, loosen with water by using a sopping wet clean wash cloth. (Or, hop in shower and rinse under shower head.)
5. Thoroughly rinse Clay from face. THOROUGH RINSING is absolutely critical for successful results.
6. Gently pat dry. Apply Ultimate Solution or Rosewood Wonder Drops. **Note:** For those using both Ultimate Solution and Rosewood Wonder Drops, use Ultimate Solution first, then follow with Rosewood Wonder Drops. Also, you may enjoy using Rosewood Wonder Drops first and removing the Drops with Ultimate Solution. Either way, feel free to experiment to determine which works best for you.

COMBINATION TO OILY SKIN & NORMAL SKIN

Use 1-2 times daily as needed. (You may want to alternate with Oily Skin directions a few days a week.)

1. Follow step 1 above. Then, simply use Advanced Cleansing Clay as a typical facial cleanser. Gently and thoroughly massage Advanced Cleansing Clay over face and neck, avoiding eyes, keeping product hydrated with water while doing so. (Advanced Cleansing Clay will not foam. Its advanced cleansing system is a new technology that does not require soaps or detergents that foam in order to properly clean skin.)
2. Thoroughly rinse Advanced Cleansing Clay prior to drying. Follow step 6 above.

SPA MASK OPTION

Once Weekly. Good for ALL SKIN TYPES except very sensitive.

Follow steps 1-3 above. Then, permit Advanced Cleansing Clay to remain on face for 30-45 minutes. At this point you can continue with steps 5-6.

OR . . . you can take this beauty treatment to a whole new level:

Paint a fine layer of Rosewood Wonder Mask directly on top of the dried Advanced Cleansing Clay for a thorough SPA experience. Allow the Rosewood Wonder Mask to thoroughly dry. Then follow steps 5-6 above.

This spa beauty treatment deep cleans pores, invigorates the complexion, and renews the healthy look and fresh feel of the skin. (This is how Daniel utilizes this product for his spa clients.) Either Rosewood Wonder Drops or 7th Heaven Serum is an ideal finish to this spa beauty treatment.

Tip! Advanced Cleansing Clay can be blended in palm of hand 50/50 with Micro Polish for a super smooth cleansing/polishing on a daily basis.

DIRECTIONS: Ultimate Solution

- Brightening of complexion.
- Balancing of complexion.
- Restoring complexion's natural essence.

OILY SKIN & COMBINATION TO OILY SKIN

May be used after each Advanced Cleansing Clay application. Or, may be used on its own.

1. Lightly press a cotton ball directly against hole of pump.
2. Pump multiple times until cotton ball has plenty of solution to cover face. (Approx. 4-7 pumps.)
3. Disperse a fine layer of Ultimate Solution over face, being certain to include hairline, chin and part of neck. AVOID EYES. No rinsing necessary. If you are using Rosewood Wonder Drops, they may be applied directly on top of Ultimate Solution.

ALL SKIN TYPES

100% natural, safe, effective makeup remover. Use whenever needed.

1. Lightly press a cotton ball or cotton pad directly against hole of pump.
2. Pump multiple times until cotton has plenty of solution to remove makeup.
3. Proceed with removing makeup.
4. Follow with normal skin care routine.

Tip! Toss Ultimate Solution and a few cotton balls into a baggie and take with you during the day for a quick and thorough cleansing that does not require water rinsing. Ultimate Solution can also be used as an effective Makeup Remover and Pre- or Post-Shave Conditioner.

DIRECTIONS: Rosewood Wonder Drops

- Self-adjusting hydration that continues to keep pores clean while fine layer of product remains on skin.
- Exceptional balancing for Combination and Oily Skin.
- Shine reduction!

OILY SKIN, COMBINATION TO OILY SKIN & NORMAL SKIN

May be used daily or as needed. Also, can be used as a one-step cleansing/hydrating beauty treatment.

1. After cleansing or masking, apply 4-6 drops of Rosewood Wonder Drops to finger tips and lightly massage over entire region that was cleansed or masked. This loosens and breaks down excess waxy buildup in pores as well as conditions and balances combination to oily skin types.
2. Once complete, either remove immediately, or allow to penetrate for another minute or so. REMOVE Wonder Drops by splashing or using a sopping wet face cloth (rinse till orange pigment is gone or almost gone). Wonder Drops residue will remain on skin and continue to clean pores while it self-adjusts to your specific hydration needs.
3. Lightly pat dry.

Tip! If using Rosewood Wonder Drops by themselves, as Daniel does when he travels, gently splash skin, apply 6-8 drops directly onto wet complexion, and lightly massage over face for about 30 seconds. Splash again, then remove with sopping wet face cloth. Do not pull or drag on skin during removal. (Or, use gentle shower head in shower to remove.) Leave behind an ultra fine layer of Rosewood Wonder Drops as your self-adjusting moisturizer that will continue to clean pores while product is on the skin.

DIRECTIONS: Rosewood Wonder Mask

- Reduces Appearance of fine lines and wrinkles.
- Reinvigorates Complexion.
- Refines Complexion.

ALL SKIN TYPES EXCEPT SENSITIVE

Use 1-3 times weekly as needed.

1. Wash hands. Splash face with tepid water. Lightly pat away excess water with clean towel, allowing complexion to be very lightly hydrated.
2. Rinse brush and thoroughly tap out excess water.
3. Dispense quarter size portion of Rosewood Wonder Mask onto back of non-dominant hand. Dip brush into clay and paint exceptionally THIN LAYER over face being certain to paint hairline, chin and part of neck (you should be able to see your skin through the wet mask). AVOID EYES. Allow to dry for 10-15 minutes.

Note: You may feel a very Warming or Cooling sensation until the mask is thoroughly dry and a light pulsation in the skin is noticed. This is a normal experience for this Spa level masking treatment.

4. Loosen Mask with sopping wet face cloth, then THOROUGHLY RINSE.
5. Follow with Rosewood Wonder Drops. Or, for dryer skin types, follow with 7th Heaven Serum.

SPA MASK OPTION

Once Weekly. Good for ALL SKIN TYPES except very sensitive.

For a thoroughly rejuvenating Spa Experience, begin with a fine layer of Advanced Cleansing Clay and allow to dry for 30-45 minutes. Then, paint a fine layer of Rosewood Wonder Mask on top of the dried Advanced Cleansing Clay. Allow Rosewood Wonder Mask to thoroughly dry.

This spa beauty treatment deep cleans pores, invigorates the complexion, and renews the healthy look and fresh feel of the skin. (This is how Daniel utilizes this product for his spa clients.) Either Rosewood Wonder Drops or 7th Heaven Serum is an ideal finish to this spa beauty treatment.

DIRECTIONS: Ultra Fresh Micro Polish

Three forms of exfoliation all in one:

1. Mechanical – from the Micronized Diatomaceous Earth.
2. Enzymatic – from the Lemon and Bergamot.
3. Gentle Fruit Acids – from the Fresh Lime.

FOR:

- Softening!
- Smoothing!
- Reduction in appearance of fine lines and wrinkles!

ALL SKIN TYPES

3-5 days weekly as needed.

Do not cleanse or mask prior to polishing. Micro Polish is used in place of a cleanser on the days you polish your skin.

1. Wash hands and splash face with tepid to warm water.
2. Dispense quarter size portion of Micro Polish onto finger tips. Work hydrated Micro Polish around fingers, then very lightly yet quickly polish over surface of skin, avoiding eyes. DO NOT ADD PRESSURE. Allow Micro Polish to do the work it was created to do.
3. Can Polish for 45 seconds to a minute.
4. THOROUGHLY RINSE! Be certain to keep eyes closed through rinsing process. Once product is rinsed completely clear from skin, lightly pat dry with clean towel.
5. Follow with 7th Heaven Serum, Rehydrance, or follow with Rosewood Wonder Drops procedure.

Tip! You can blend 50/50 Micro Polish with either Advanced Cleansing Silk or Advanced Cleansing Clay in palm of hand prior to application for an exceptionally smooth polishing experience!

DIRECTIONS: Advanced Cleansing Silk

- Removes dirt, environmental debris, foundation and impurities in a lush soothing soap-free experience.
- Reveals healthier & younger looking skin.
- Refreshes overall complexion, creating an ideal environment for layering Organic Complexion beauty treatments and moisturizers.

NORMAL SKIN, NORMAL TO DRY SKIN & MATURE SKIN

Use 1-2 times daily as needed.

2. Rehydrance will continue to penetrate for the next five minutes.
3. If you wear makeup, it may be successfully applied after one minute.
4. For a greater level of hydration, apply Rehydrance over a layer of 7th Heaven Serum.

Tip! Rehydrance is a highly effective Makeup Primer.

Men! Rehydrance is also a wonderfully effective post shave conditioner for men.

DIRECTIONS: 7th Heaven Serum

- Fundamentally rehydrates the skin.
- Smooths away appearance of fine lines and wrinkles.
- Reveals healthier looking skin.

NORMAL SKIN, NORMAL TO DRY SKIN, SEVERELY DRY SKIN & MATURE SKIN

Use 1-2 times daily after cleansing, polishing or masking skin. USE VERY SPARINGLY – 100% Pure Plant Complexes. A little goes a long way.

1. After cleansing, polishing or masking skin, dispense 4-6 drops onto fingertips.
2. Gently smooth over entire cleansed complexion. 7th Heaven Serum will take approximately 5-10 minutes to thoroughly penetrate; however, you can proceed with applying makeup or Rehydrance within a minute of application. May be applied twice daily.
3. Follow with a fine layer of Rehydrance for extra benefit.

Tip! 7th Heaven Serum is a superior lip beauty treatment. Gently polish lips with Micro Polish, thoroughly rinse, then apply a fine layer of 7th Heaven Serum for a lip rejuvenating experience.

Blend! Blend 1-2 drops of 7th Heaven Serum into Rehydrance prior to applying Rehydrance to your skin for an extra infusion of botanicals and quick moisturizing boost.
