## BCG Systems Ranks Thirty-Seven In 2007 VAR 100 Listing

*Ohio-based business software consultant, BCG Systems, Inc., is ranked thirty-seven out of the 100 top value added resellers in the nation by Accounting Technology magazine.*

**Akron, Ohio – April 20, 2007 – BCG Systems, Inc.** announced today that the company ranked 37 in Accounting Technology Magazine's 2007 list of the top 100 VARs (value added resellers). This is the third year in a row BCG Systems, Inc. has been included on the list. The VAR 100 is the magazine's annual report ranking resellers of mid-level accounting software solutions based on annual revenues.

"We're pleased to be included in this elite list of resellers," said Mark Goodson, a director with BCG Systems, Inc. "There are tens of thousands of VARs across the nation, so a ranking of 37 is significant. It's a credit to our hardworking team of professionals whose commitment to providing customers with exceptional business solutions has allowed BCG Systems to grow and expand its reach."

BCG Systems, Inc. specializes in the strategic application of technology, including business management software, hardware, and IT infrastructure. As a Microsoft Gold Certified Partner, the company represents Microsoft Dynamics GP and Microsoft Dynamics CRM. As a Sage Software Authorized Partner, the company represents: Sage MAS 90, MAS 200, and MAS 500 ERP; Sage Abra HRMS, and Sage FAS Fixed Assets. The VAR 100 list was published in the April 2007 edition of Accounting Technology magazine.
