

## IRIDIUM NORTH AMERICA PREPAID E-VOUCHERS

**An ideal offer for seasonal industries!**

These plans are the only high volume discount plans with real low rates during the promotional period for use in the continental United States, Canada, and the Caribbean. With no contracts and short expiry periods, these plans are ideal for seasonal users.

The North America service area comprises of: United States of America, Canada, Caribbean (Mexico, Gulf of Mexico beyond 12 miles limit outside of area excluded). For all other voice calls originating or terminating outside this area there is a fixed price per minute regardless of the North America voucher denomination.
