foodservice iced teas **NEW PRODUCT LINE**

This new foodservice iced tea line expands our organic, Fair Trade Certified™ tea offerings for cafés, restaurants, hotels, and caterers. Each pre-portioned 3 oz packet yields 3 gallons of freshly steeped tea when used in an automatic iced tea brewer. (paper filters required)

Black Iced Tea* **NEW**

Organic Black Iced Tea is sure to please iced tea lovers looking for a classic taste. Our blend stands apart with its clear auburn color, bright, thirst-quenching flavor, and brisk strength. Serve over ice, garnish with a slice of lemon, and sweeten as desired.

Ingredients: Specially Blended Organic Black Teas* from Sri Lanka, India, and China

Mango Ceylon Iced Tea* **NEW**

Organic Mango Ceylon Iced Tea gets its tropical flair from accents of bright, juicy mango and golden marigold petals. We carefully blend select black teas to create a clear and refreshing glass. Serve over ice, garnish with a slice of lemon, and sweeten as desired.

Ingredients: Specially Blended Organic Black Teas* from Sri Lanka and India, Natural Mango Flavor, and Organic Marigold Petals

Moroccan Mint Green Iced Tea* **NEW**

Organic Moroccan Mint Green Iced Tea, our interpretation of a traditional favorite, is lively and refreshing with a clear, sunny color in the glass. Flavorful green tea, cooling peppermint, and crisp spearmint unite in this vibrant iced tea with a modern, healthy appeal. Serve over ice, garnish with a slice of lemon, and sweeten as desired.

Ingredients: Organic Green Tea* from China, Organic Spearmint*, and Organic Peppermint

Case contains 30 pre-portioned 3 oz packets for use in an automatic brewer.
