Dalaman Gardens enjoys stunning accolade winning architecture.

5 to 10 minutes walk from the centre of Dalaman.

The location could not be better. Fabulous for holidays. Ideal for rental income.

Winter rental income: Sea & Ski. Dalaman Gardens is just 1 hours drive away from Seki, the new snow ski resort which opens 2007/08.

High capital growth: Dalaman is enjoying massive government investment comprising Marinas, Golf courses, International Hotels, Theme Parks and new International Airport now completed. There probably is no better location in Turkey for high capital growth than in Dalaman
