RESPECTED FOR EXCELLENCE**

**For more than two decades, Kozyak Tropin Throckmorton, has concentrated its practice in two specific areas — complex litigation and bankruptcy matters. The firm and its attorneys have earned national recognition and respect for their proven expertise in and out of the courtroom, zealous client representation, and the highest standards of professionalism and ethical conduct.**

**KTT has won its reputation through its attorneys' high caliber work — their consistent, skilled performance — recognized by judges, opponents, law educators, professional journals and clients.**

*"It's all about the client."*

## CLIENT-CENTERED

Every Kozyak Tropin Throckmorton attorney will tell you, without exception, "It's all about the client." And past and present clients will confirm this sentiment.

If you ask who we are and what we do, the answer is simple, "We are our clients' advocate; we fight for them."

In every engagement, the firm's attorneys develop an in-depth understanding of the client's business, and we make our strategy congruent with it. In formulating our approach, we consider all aspects of the client's business, and we make sure our approach is in concert with the client's strategic goals and operating concerns.

One thing always remains paramount: to pursue the outcome our clients want, and to do so in the most cost-effective and efficient manner.

## TENACIOUS TRIAL LAWYERS

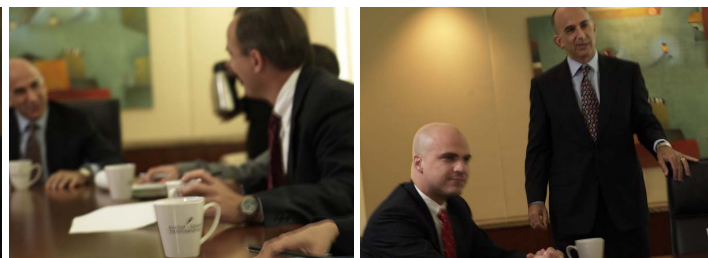

In the courtroom or out, we take action — with a single, overriding purpose — to prevail! We attack commercial disputes with unwavering resolve to achieve a favorable outcome before a judge or a jury, or, in other circumstances, to hammer out an effective settlement using strong negotiating skills backed by years of experience.

With a full and sensitive understanding of the client's concerns, we address each case intent on achieving the client's goals as expeditiously as possible, always taking the most direct route — the shortest distance between two points— without ceremony and without waste.

The firm's attorneys serve as litigation counsel for corporations, banks, and prominent individuals, and represent clients in contract, tort, securities fraud, professional malpractice, intellectual property, employment, antitrust, and unfair competition matters, as well as class actions.

The firm's litigation team is led by partner Harley Tropin, who is widely recognized for his successful role as co-lead counsel representing plaintiffs in the largest class-action lawsuit of its kind. He was among only a very few Florida attorneys selected by *The Best Lawyers In America* for recognition in its most prestigious top-tier litigation category.
