Mission Statement

Senior Approved Services

advocates for the right of all seniors to receive excellent care and services. Most importantly, to remain safe in the receiving of this care.

Senior Approved Services

facilitates an atmosphere of trust and cooperation between the senior receiving care and the services providing the care.

**National Network of Services
Products and Resources
*Endorsed by Seniors***

seniorapprovedservices.com

Endorsed by Seniors

Senior Approved Services verifies each company's history of care through the industry's first ethic-based consumer driven survey process.

Who better to attest to excellent quality care than the seniors and families that have actually used these services?

Verified

Only those achieving a 90% or higher rating are awarded the **Senior Approved Certification**.

Trust

You can trust that each company within the **Senior Approved** Network is dedicated to providing the highest quality of care and service for you and your loved ones.
