

INTERACTIVE CE BROADCAST via Satellite, Internet, or Telephone: REGISTER TODAY!

To further enhance your learning and knowledge of EBM, we invite you to participate in the following activities:

- **National satellite broadcast Nov. 14, 2007**
Evidence-Based Medicine: Application of Principles to Practice (Part 2)
- ***Special* Online Case-Based Self-Study**
This supplemental CME/CE activity will include exercises to promote applicability in the clinical practice setting. (Title and release date TBA)

FACULTY INFORMATION

Sharon A. Mozian, MD
Medical Director, Acute Outpatient Services
The Brien Center and Berkshire Medical Center
Pittsfield, MA

MODERATOR

Stephen J. Bartels, MD
Professor of Psychiatry and Community & Family Medicine
Dartmouth Medical School
Co-Director, Dartmouth Center on Aging
Hanover, NH

CREDIT INFORMATION

CME Credit (Physicians): CME Outfitters, LLC, is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians. CME Outfitters, LLC, designates this educational activity for a maximum of 1.0 AMA PRA Category 1 Credit(s)[™]. Physicians should only claim credit commensurate with the extent of their participation in the activity.

Note to Physician Assistants: AAPA accepts Category I credit from AOACCME, Prescribed credit from AAFP, and AMA Category I CME credit for the PRA from organizations accredited by ACCME.

CNE Credit (Nurses): CME Outfitters, LLC, is an approved provider of continuing nursing education by the New York State Nurses Association, an accredited approver by the American Nurses Credentialing Center's Commission on Accreditation.

It has been assigned code 6WASUP-PRV-0613. 1.0 contact hours will be awarded upon successful completion.

CEP Credit (Psychologists): CME Outfitters is approved by the American Psychological Association to sponsor continuing education for psychologists. CME Outfitters maintains responsibility for this program and its content. (1.0 CE credits)

NASW Credit (Social Workers): This program was approved by the National Association of Social Workers (provider #886407722) for 1 continuing education contact hour.

CCMC Credit (Certified Case Managers): This program has been approved for 1 hour by the Commission for Case Manager Certification (CCMC).

CPE Credit (Pharmacists): CME Outfitters, LLC, is accredited by the Accreditation Council for Pharmacy Education as a provider of continuing pharmacy education. (1.0 contact hours (0.1 CEUs))

Universal Program Number:
376-999-07-015-L04 (live presentation)
376-999-07-015-H04 (recorded programs)

Post-tests, credit request forms, and activity evaluations can be completed online at www.neuroscienceCME.com (click on the Testing/Certification link under the Resources tab—requires free account activation), and participants can print their certificate or statement of credit immediately (70% pass rate required). Otherwise, participants should fully complete and return both the credit request form and activity evaluation located within the course guide for this activity. A certificate or statement of credit will be mailed within 4–6 weeks to all who successfully complete these requirements. CE credit expires on October 10, 2008.

This continuing education activity is provided by **CME Outfitters**

**From Paper to Patient: Applying Clinical Literature to Practice Improvements (Part 1)
Evidence-Based Medicine: Rationale and Conceptual Framework**

**** Premiere Date: Wednesday, October 10, 2007 ****

LIVE Broadcast: 12:00 p.m.–1:00 p.m. ET
11:00 a.m.–12:00 p.m. CT
10:00 a.m.–11:00 a.m. MT
9:00 a.m.–10:00 a.m. PT

Taped Re-Air: 3:00 p.m.–4:00 p.m. ET
2:00 p.m.–3:00 p.m. CT
1:00 p.m.–2:00 p.m. MT
12:00 p.m.–1:00 p.m. PT

No Satellite? No Problem!

View on the web at www.neuroscienceCME.com or participate via **neuroscienceCME TV byPHONE**

800.895.1713 (LIVE) 800.839.5484 (archive)

Password for LIVE byPHONE option is "neuroscienceCME TV"

This activity offers CE credit for:

- Physicians (CME)
- Psychologists (CEP)
- Case Managers (CCMC)
- Nurses (CNE)
- Social Workers (NASW)
- Pharmacists (CPE)

All other clinicians will either receive a CME Attendance Certificate or may choose any of the types of CE credit being offered.

You can also register for this and other neuroscienceCME activities at www.neuroscienceCME.com. For more information or to register by phone for this one-hour activity, call CME Outfitters at **877.CME.PROS**.

STATEMENT OF NEED

Clinical care is increasingly reliant on evidence-based medicine (EBM) practices, a mechanism for distilling medical literature into a subset of sound and rigorous findings to guide clinical decision-making. The EBM process involves collecting data on a clinical question, critically reviewing it, putting it into context, and then applying it to the patient.¹ In psychiatry, scientific evidence for application to many important problems is lacking or controversial. And although the body of medical literature in psychiatry is expanding rapidly,¹ not all research findings are of equal value; psychiatrists need education on how to evaluate research and to cull only the most relevant and rigorous evidence for integration into practice. Training in evidence-based psychiatry is uncommon, and there is an unmet need for psychiatrists to master the basic knowledge and skills needed to use EBM.^{2,3} In Part 1 of this neuroscienceCME TV activity, faculty will guide clinicians through the formulation of appropriate clinical questions that can be addressed with EBM, and in methods for conducting targeted literature searches.

ACTIVITY GOAL

To provide basic knowledge and skills on evidence-based medicine to psychiatry practitioners and to provide guidance on methods for incorporating evidence into practice.

LEARNING OBJECTIVES

At the end of this CE activity, participants should be able to:

- Discuss the importance of using evidence-based practices to improve patient outcomes.
- Formulate a clinical question that can be answered using evidence-based principles.
- Conduct a targeted and efficient search of the medical literature.

TARGET AUDIENCE

Physicians, physician assistants, nurse practitioners, nurses, psychologists, social workers, certified case managers, pharmacists, and other healthcare professionals seeking to incorporate evidence-based medicine into their clinical practice.

COMMERCIAL SUPPORT

CME Outfitters, LLC, gratefully acknowledges educational grants from AstraZeneca Pharmaceuticals, Eli Lilly and Company, Janssen L.P., and Pfizer Inc. in support of this CE activity.

FAX completed form to 240.243.1033

- YES! Register me for this LIVE evidence-based neuroscienceCME TV activity on October 10, 2007.**
- Please send me a complimentary CD-ROM of this CE activity.**
