

Concierge, Concierge, Concierge, tell me...

*Conciergerie deLuxe, the concierge service company, more dynamical than ever!
Conciergerie deLuxe is composed of 150 Concierges at least located in more than 80 countries and with commitment of mobility to offer high quality services to valued clients.*

New York-based company, IFFISO HNWICC, Inc. has enlarged concierge solutions offered throughout Conciergerie deLuxe <http://www.conciergeriedeluxe.com>, an international Conciergerie serving high net worth individual and corporate clients within and outside the USA. Conciergerie deLuxe is composed of more than 150 Concierges located in more than 80 countries.

The company has partnered with corporations to deliver concierge services to their employees and clients.

Conciergerie deLuxe has developed a real know-how by working with banks, financial advisors, lawyers, wealth managers, artists and travel agencies, hotels and governmental institutions around the globe. Conciergerie deLuxe has been thought of and implemented not only for them but also for their clients.

The luxury concierge assists employees and clients in their domestic and regular needs: finding nannies, booking restaurant tables, taxis, and buying concert, theater or opera tickets. They can book private jets, superyachts, and luxury cars, or get bodyguard protection and private consultations from wealth managers, thanks to an international intranet connecting clients to Conciergerie deLuxe at anytime, in any country. Respecting the Conciergerie deLuxe International Quality Chart, concierges show experience and a real commitment in their tasks.

Thanks to wireless applications, Mobile Concierge deLuxe, everyone can get location-based information on restaurants, exhibitions, and theaters. They can access weather forecasts, news, sports, stock quotes, and SMS reminders or alerts - but all services ordered are handled by real concierges ready to satisfy clients' needs in the shortest time.

Two membership plans include Mobile Concierge support: Elite and Platinum concierge deLuxe.

Platinum members get the membership card offering preferred rates in 2,500 golf resorts for quality golf tee times, priority reservation and luxury gifts in high-end hotels, restaurants, and luxury stores around the globe. Inside luxury store partners, customers can have one part completely private and a personal shopper dedicated to them.

Both plans offer the Mobile City Guide to over 300 destinations around the globe.

This traveler's best friend gets the latest information about dining, accomodation, bars, cafés and nightlife, luxury shopping, local information to enjoy stays like coming exhibitions, shows for art and culture, and sports events. Users also get local business news.

Travel Concierge deLuxe and mobile travel Concierge deLuxe not only advise members about luxury property rentals but also proposes specials and travel packages in the most exotic locations for an unforgettable experience.

Travel Concierges can also deliver real-time travel quotes, transfer and arrival escorts.

Twenty-four hours a day, 365 days a year, in more than 80 countries and within the USA, clients and expatriates can get local assistance to enjoy their stays into finest luxury hotels, and get a local personal shopper in New York, Mexico, Brazil, London, Paris, Milan, Geneva, Luxembourg, Brussels, Dubai, Istanbul and Ankara, Tokyo, Beijing and more.
