Crouch, Slavin & Company Adds Human Resources Professional to Team

Crouch, Slavin & Company welcomes Diana Garrett

Tulsa, OK – October 4, 2007 – Crouch, Slavin & Company, a leading professional services firm offering HRMS and accounting applications to businesses in the Southwest, is pleased to announce the addition of Diana Garrett to its professional services staff.

Diana Garrett joins Crouch, Slavin & Company as a Sage Abra HRMS application consultant. In this role she works with clients implementing and training on their software. Diana brings a significant amount of HR expertise with her. As a certified Professional in Human Resources (PHR), she has worked as an HR Generalist, a payroll and benefits administrator and a client services representative for ADP. At ADP her responsibilities included maintaining client databases in addition to implementing HR, PR and timekeeping software. Diana has diverse industry experience too, which will serve Crouch, Slavin & Company's clients well.

"Given that Diana has been in the shoes of many of our clients, we know she will be a great asset to them," said Gary Crouch, president of Crouch, Slavin & Company. "Her unique ability to understand where the client is coming from coupled with her consultative approach will further our stated mission of enabling organizations to achieve a business advantage through the best use of technology."

With the addition of Diana, Crouch, Slavin & Company continues to offer clients the highest level of service possible with knowledgeable experts on staff.

About Crouch, Slavin & Company

Crouch, Slavin & Company offers complete business management consulting services to companies wanting to increase internal efficiencies through proven technology applications. CS&Co's two-pronged approach features up front due diligence ensuring a proper recommendation and a detailed methodology ensuring a successful implementation. CS&Co's background spans several decades of experience centered on accounting processes, tax compliance, employee benefits and information technology. Our consultants have a shared skill set of human resources and payroll experience and product expertise spanning a range of industries. CS&Co has selected to work primarily with products developed by Sage Software. Most recently CS&Co has been recognized with the elite President's Circle recognition from Sage Software and recognized nationally as a Technology Pacesetter. CS&Co is committed to maintaining the highest ethical standards and professional growth through its active involvement in the American Institute of CPAs, the Information Technology Alliance, the Sage Software Leadership Academy's Alumni Association and the Oklahoma Society of CPAs.
