

MenScience Product Line-Up Fall 2007

A. Advanced Face Lotion: Ultralight. Oil Free. High-performance moisturizer with Hyaluronic Acid, Green Tea, AHA and BHA.

B. Daily Face Wash: Gently removes impurities and oily residues with Glycolic and Salicylic Acids. Ideal for all skin types.

C. Microfine Face Scrub: Immediately revitalizes the skin, buffing away dead skin cells and dull buildup with Glycolic Acid.

D. Face Buff Brush: Provides thorough cleansing by loosening impurities from skin and deep within pores. Use with Daily Face Wash.

E. Advanced Face Tonic: Smoothes skin with Glycolic Acid and removes oily residues for a clear complexion (avail. 9/07).

F. Anti-Aging Formula: Advanced dermatological ingredients promote firmer, younger-looking skin and protect from signs of aging.

G. Pigmentation Repair Formula: Helps reduce the appearance of age spots and balances skin tone with Retinol and Kojic Acid.

H. Eye Rescue Formula: Reduces the appearance of dark circles, fine lines and puffiness. Ultralight and matte application.

I. Eye Gel Mask: Improves dark circles, puffiness and sagging skin under eyes with temperature therapy.

J. Advanced Shave Formula: Provides the closest shave and prevents irritation and ingrown hairs with Glycerin, Aloe and Azulene.

K. Post-Shave Repair: Immediately calms redness and razor burn and helps control ingrown hairs with Salicylic Acid and Tea Tree Extract.

L. TIO2 Sunblock SPF30: Provides broad spectrum protection (UVA/UVB) from the sun. Waterproof, ultralight and invisible application.

M. Advanced Lip Protection SPF 30: Serious protection from sunburn, peeling and chapping. Softens and relieves irritation.

N. Daily Body Wash: Removes impurities, dead skin cells and bacteria with Glycolic Acid, Salicylic Acid and Tea Tree Extract.

O. Daily Shampoo: Gently cleanses and removes buildup with Glycolic Acid without removing hair's natural softeners. All hair types.

P. Advanced Deodorant: Eliminates and prevents odors. 100% free of fragrance and aluminum. Smooth, dry and clear application.

Q. Buff Body Gloves: Removes impurities, buildup and dead skin cells leaving skin smooth and renewed. Use with Daily Body Wash.

R. Acne Spot Repair: Attacks acne blemishes with pharmaceutical-grade Benzoyl Peroxide for immediate results in less than 24 hours.

S. Acne Therapy Lotion: Helps prevent and cure acne breakouts, while combating redness and irritation with Green Tea and Urea.

T. Advanced Acne Pads: Prevents and stops acne breakouts with Salicylic and Glycolic Acids. Removes oily residues for a clear complexion.

U. Advanced Antioxidants Daily Supplement: Helps combat the damaging effects of free radicals which accelerate aging processes*.

V. Thermogenic Formula Advanced Supplement: Boosts calorie-burning and energy levels to support weight-loss processes*.

W. Advanced CLA Supplement Formula: Promotes reductions in body fat and increases in lean muscle with all natural formula*.

X. Omega 3 Supplement Formula: Helps protect cardiovascular health and support healthy brain functions and triglyceride levels*.
