Customer Quotations

"The quality of the repair and quality of service was top notch. To think I saved so much time and money is incredible. This is the new frontier of auto body shops."
- Richard Allen

"BUMPERDOC came right to my office and repaired my bumper while I was at work for a great price. Thanks BUMPERDOC!"
- Phyllis Zenz

Paintless Dent Repair

Got Dents? Discover the tremendous cost savings offered by paintless dent repair(PDR) compared to traditional repair methods when your vehicle is damaged without injury to the paint. The PDR process increases your vehicle's value and appearance while protecting your original finish. Paintless dent removal is a process of massaging the metal back to its original factory form. The majority of PDR jobs can be completed in less than one hour. Satisfaction Guaranteed.

- + **FREE** Estimates
- + **FREE** Mobile Service
To your home or office.
