

**The difference between *petting*  
and *feeding* is a blink of an eye.**

**KEEP BIG CATS WHERE THEY BELONG—FAR FROM PEOPLE.  
SUPPORT AND CO-SPONSOR HALEY'S ACT NOW.**

In August of 2005, 17-year-old Haley Hilderbrand was posing for her senior picture with a 550-lb. tiger. Despite a leash and the nearby trainer, the tiger viciously attacked and killed Haley in a matter of seconds. Haley's death was entirely preventable. Congress should take action now to prohibit public interaction with these alluring but deadly predators.

**SUPPORT HALEY'S ACT (HR 1947)**
