### **Plus Computer Solutions Named to Sage Software's President's Circle**

**Sage Software Business Partner Plus Computer Solutions receives prestigious award for second year in a row.**

---

**Burnaby, British Columbia—October 29, 2007**—Plus Computer Solutions Ltd. has been named to Sage Software's distinguished President's Circle for 2007, a distinction given annually to business partners and national consulting partners generating the highest sales revenue during the previous fiscal year. This is the second consecutive year the company has achieved this status.

"President's Circle winners are at the top of the industry," said Laurie Schultz, senior vice president and general manager for Sage Accpac and Simply Accounting. "We congratulate this year's winners for their outstanding performance, and wish them continued success in 2008."

Plus Computer Solutions represents the Sage Accpac ERP and SageCRM product lines, the best selling small to medium enterprise accounting software and CRM software solutions in the Canadian marketplace.

"It is rewarding to be recognized for the hard work and dedication our team puts forth every day and for every client," stated Glen Mund, president of Plus Computer Solutions. "We consider it an honour to be in the company of many of the nation's most successful business partners whose commitment to the Sage Software product family is evidenced by this award."
