Miami Votes FlatRate Moving as City's Best Mover

*Citysearch Audiences in South Florida Vote FlatRate
as the City's Best Mover – No Contest!*

MIAMI, FL – When asked to vote for the best mover in the city, Miami chose **FlatRate Moving** (<http://www.flatrate.com/fl/>) as the hands-down winner. With a steamy climate, gorgeous views, and a population that's always on the move, it's no surprise that Miami residents know their moving companies. Now Miami has chosen local favorite FlatRate Moving as the Best Mover in its latest **Best of Citysearch (BOC)** award, courtesy of the audiences and editors at **Citysearch**. FlatRate has already achieved multiple awards for its New York branch, from both Citysearch and Forbes Enterprise -- now FlatRate's Florida offices have achieved Number One status for their quality, ease, and flat-rate prices on moving day.

The secret to FlatRate Florida's success? Commitment. "We make a promise to customers and keep that promise with every move," comments Relocation Consultant **Natalie Moore**. "So many moving quotes seem to offer one thing, yet deliver another, with (worst of all) hourly quotes that too often multiply on moving day into many times the original estimate. FlatRate was built upon the idea of a single, simple quote based on inventory, and that's what we maintain -- with no surprises, and no fluctuating costs." This commitment combines with FlatRate's highly skilled movers (each of whom undergoes an intensive training program), friendly staff, and superb trucks to create the perfect move every time.

FlatRate Florida provides a wide variety of relocation services, with support on every aspect of the moving process – from planning and packing, to transport, unpacking, and more. Its

services extend beyond Miami to offer local, national, and international moving support originating from throughout South Florida. For every move, its guaranteed price includes:

- Careful and strategic wrapping of all pieces of furniture for maximum protection
- Packing and unpacking of all electronics (including TV's, stereos, speakers, microwaves, computers, VCR and DVD players, and more)
- Packing and unpacking of all pictures, mirrors, rugs, and lamps.
- Packing and unpacking of all hanging wardrobes (with FREE wardrobe boxes on the day of the move)

But Miami's FlatRate Moving isn't just a hit with Citysearch audiences. As proud members of the Better Business Bureau, FlatRate stands among the top 5% of companies, with zero complaints in the past 36 months! The company has achieved rave reviews and unparalleled customer feedback, plus superb editorial ratings, awards, and more, in its ascent to become South Florida's top mover.

"We're proud and delighted to have been voted Miami's top mover," adds Moore, "and we'll continue to work hard to maintain that trust with every move we make."
