

ParetoLogic's SafeSurfer.org

Ensure your Internet Experience is a Safe One

SafeSurfer is designed with kids' safety as the number one concern. It's a free website that is tailored specifically to kids ages of 8-14.

Features/Benefits for you to enjoy:

- **Forum:** Share computer, Internet, sports, entertainment knowledge with other users
- **2¢ blog:** Hear what the resident blogger has to say and post opinions and comments of in the forum
- **The Buzz:** Keep in the know with up-to-date scoops on what's going on in the world
- **Lingo:** Get schooled on Internet and chatroom slang
- **Arcade and Games:** Read the latest reviews or sit down and play a few of SafeSurfer's featured games
- **Tips 'N Trix:** Check out everything from keyboard shortcuts to cool new websites
- **Skool'n and Websafe:** Educate yourself on the ins and outs of computers and the Internet

SafeSurfer also recognizes that kids are the experts. With this in mind, the site will be constantly fed with rich content provided by kids themselves.

ParetoLogic's SafeSurfer.org – Where kids are the experts in online safety!

The Information super highway is a vast resource and is very much a part of our everyday lives. However, it's important to have a few safety lessons before you hit the road. ParetoLogic's SafeSurfer provides the know-how on issues varying from cyberbullying to social networking, all while making sure to maintain a fun environment for kids with games, forums, news, blogs and more..

Absolutely Free!

"This website is pretty cool! I like the fact that it was made for kids my age (I am 11) and that a lot of the stuff on it is from kids my age. They're right! We are the experts in how we use the Internet and we are the best ones to know what we want to see on a website and what we need to know to not get into any trouble online."
