Looking for a gift that's guaranteed to thrill a special someone whose inner singer, songwriter and musician is yearning to break out? **The SuperStar Factory™** makes lifetime dreams come true for those Boomers, CEO's, professionals, executives, and "Idol" wannabes on your gift list. The lucky gift recipient will fulfill their dreams by recording a demo CD\* with a worldwide team of top-name professional Producers under the direction of Grammy® Nominee and ASCAP Award winner Tom Hambridge, along with world-famous studio musicians from many of the best selling records of all time.

Anywhere in the world, **The SuperStar Factory™** will manage the entire on-ground celebrity star experience, from limo pickup at the airport to luxury hotel accommodations and local transportation, professional photography, videotaping, and recording, editing/mastering the final product, and a closing record release party to top it all off. Regardless of the instrument played, the musical style or if we're working with either original or cover material, **The SuperStar Factory™** has, since 1991, the production experience, credentials and A-list connections to deliver an unparalleled music industry insider experience, with packages priced from \$25,000.

A limited number of productions are available, so call today to book your **Musician's Fantasy Recording Experience™** in time for the holidays! Contact: [tourdesk@Superstarfactory.com](mailto:tourdesk@Superstarfactory.com)
