Subject: WebEOC[®] ST 2008 Grant Program

The Business Contingency Group (BCG) is excited to announce it's WebEOC[®] ST (Surface Transportation) 2008 Grant Program. This grant will provide one year free access and use of WebEOC ST to a Surface Transportation Agency or Organization. The software will be hosted by BCG and the Agency or Organization awarded the grant will have unlimited user access to the system. There is no client software needed only internet access and an internet browser (MS Internet Explorer 6.0 or higher).

The Business Contingency Group will also work with the Surface Transportation Agency or Organization awarded the grant to help facilitate collaboration and information sharing with other agencies within their community.

To be eligible for the grant, a completed and signed *2008 Grant Application Form* must be submitted by a Surface Transportation (Transit, Rail, Ship, Highway) Agency or Organization to the BCG Corporate Office by February 28, 2008.

About WebEOC ST and BCG

WebEOC ST is a Crisis Information Management Software (CIMS) providing real-time information to facilitate coordination and decision-making for planning, training and emergency response, recovery and continuity of government and business operations. It builds upon the features of WebEOC, the industry-leading CIMS platform.

BCG is a Strategic Partner and an Authorized VAR of WebEOC software products. In addition, BCG is the Developer of the Surface Transportation solution (WebEOC ST) and Exclusive Provider of WebEOC products to the Surface Transportation Sector. BCG also provides Disaster Recovery, Business Contingency, and Emergency Management Planning and Consulting Services to companies and public sector agencies.
