

# The Slapp Attach®

The Workout that Fights Back

## The Slapp Attach®

Welcome to reality combat! Strap the Slapp Attach® to any heavy bag and transform your workout into the ultimate sparring session. You'll be totally consumed by the workout that hits back. You'll learn how to block, evade, slip, counter, penetrate and react to timing. With every round you will become more alert, focused and fearless all while increasing your stamina and discipline.

The Slapp Attach® offers three different spring lengths to keep all skill-levels coming back for more.

The Slapp Attach® includes 3 sets of springs, two speed bags, adjustable belt and mounting plates.
