The Ultimate Resource for Wedding Planning gets a Sharp New Look and Fresh New Content

byRecommendationOnly.com, launched from Palo Alto, CA, announces its home-page redesign and birth of the bRO-BLOG. The fresh look-and-feel and new features make finding what you're looking for fun and easy.

### Find Event Professionals

**Look no further!** For nearly 20 years a dedicated team of wedding and event planning experts have been producing a comprehensive directory of the most talented and qualified vendors. Visitors will find the profiles of Event Professionals who have earned the bRO Seal of Approval. Vendors earn this highly respected accolade based on extensive research, reviews and reference checks by the bRO team. The services offered by these trusted professionals throughout the US and worldwide, include: attire, beauty, cakes, catering, flowers, music, officiants, photography, wedding planning, rentals, transportation, travel, wedding venues, and videography.

**Be inspired!** The bRO Magazine, features new and relevant wedding and event related articles updated monthly. Articles showcase stirring images alongside topics ranging from destination weddings, ethnic weddings, sustainable (green) weddings, romance & money, advice about weddings and relationships, wedding customs, honeymoon ideas and fitness & beauty.

**Go Green!** Learn how to save resources without compromising a fabulous celebration. Peruse sophisticated Green Weddings & Celebrations - Plus find the tips, topics & resources you'll need in bRo Green Corner! Its insight on green wedding planning has been very well received and has brought inquiries from all over the US.
