

Call Center Response®

It's About Hiring the RIGHT People!

"Did you know that more budget dollars are lost through staffing related costs than in any other area of your call center?" More than 60% of the cost of operating a call center is related to human capital expenditures."

People are the key to success in any call center. You decrease turnover and improve call center performance by recruiting and hiring the right people. The BrandonWayne Group's **Call Center Response®** programs and services will quickly identify candidates who will be successful in your call center environment.

The BrandonWayne Group has extensive experience in developing and managing call center hiring processes in all industries. We specialize in providing temporary, direct hire, seasonal, CCRO (Call Center Recruitment Outsourcing) and executive recruitment programs and services.

Whether your call center is customer service, telesales, marketing, collections, email, live chat, help desk or blended, our proven **Call Center Response®** methodology will significantly improve your overall call center recruiting and hiring practices.
