SyncSite Named To Sage Software President's Circle For 2007

Birmingham, AL—March 3, 2008—SyncSite announced today that it was named to Sage Software's distinguished President's Circle for 2007, a distinction given annually to business partners and national consulting partners generating the highest sales revenue during the previous fiscal year. SyncSite is a Sage SalesLogix Business Partner for Sage Software, focusing exclusively on the sales and support of Sage SalesLogix CRM and companion products.

Adding to the company's impressive year was inclusion in Sage Software's Million Dollar Club. Million Dollar Club honors are given to top ranking business partners who have exceeded one million dollars in business across Sage Software's product lines and solutions groups.

"Helping small and mid-sized businesses be successful with industry-leading business management solutions is what we continue to focus on, and our well-established, large, experienced channel of thousands of business partners throughout North America plays a vital role in our continued mutual success," said Nina Smith, Sage Software president, Business Management Division.

"President's Circle winners are top performers, and they set the bar for our channel," added Doug Meyer, Sage Software president, Industry & Specialized Solutions Division. "We congratulate this year's winners for their outstanding performance, and wish them continued success in 2008."

"It is rewarding to be recognized for the hard work and dedication our team puts forth every day and for every client," stated Nicholas Kyriazis, vice president of sales and marketing at SyncSite. "We consider it an honor to be in the company of the nation's most successful business partners whose commitment to the Sage Software product family is evidenced by this award."

President's Circle winners were honored at an official awards ceremony held at the lush resort destination of The Ritz Carlton in Cancun, Mexico, in January of this year.
