Software Link Selected as QuickBooks Enterprise Solution Provider

Alpharetta, GA – March 14, 2008 – Software Link Inc., Georgia's leading provider of ERP software and services, is pleased to announce their selection as a QuickBooks Enterprise® Solution Provider. QuickBooks Enterprise is developed by Intuit Inc. (Nasdaq: INTU), a leading provider of business and financial management solutions for small and mid-size businesses and accounting professionals.

Software Link is a leading provider of implementation, training and support services of automated business management solutions. With a wide range of product applications including accounting, project, distribution, manufacturing and e-commerce solutions, Software Link offers award-winning products and services that have revolutionized the way small and mid-size companies do business in today's marketplace. In August 2007, Software Link was named to the first-ever Inc. 5000 list of fastest growing private companies in the country.

The Intuit Solution Provider Program will enable Software Link to better serve regional clients and build their business through the sale, implementation and service of integrated solutions. QuickBooks Enterprise Solutions is a flexible and affordable business management solution designed specifically for growing businesses. The software helps businesses efficiently input, organize and access the information they need to manage finances, inventory, sales, purchasing and employees, and make key decisions for growth.

"Intuit is individually selecting the members of its Solution Provider program, choosing firms who we believe will best serve the needs of mid-market customers in each market," said Jim Gregg, director of Intuit's solution provider program. "We are very excited to have Software Link as an Intuit Solution Provider supporting customers in their area."

"QuickBooks Enterprise Solutions is able to meet our clients' needs as they grow at a price that is significantly less than competitive products," said Stanley Kania, president of Software Link. "Our certified consultants will ensure a successful implementation and provide on-going support."
