Plus Computer Solutions Announces Updated Website

Sage Software Select Partner, Plus Computer Solutions, launches comprehensive new site at www.plus.ca

Burnaby, British Columbia—March 27, 2008—Plus Computer Solutions, Inc. today announced the publication of its new website, www.plus.ca. Plus Computer Solutions is a Sage Software Select Partner, specializing in the Sage Accpac ERP and SageCRM product families—the best selling small to medium enterprise accounting software and CRM software solutions in the Canadian marketplace. The new site offers easy navigation, detailed product information, and a comprehensive client service and support centre.

"We are very proud to announce the release of the new Plus Computer Solutions website," said Glen Mund, president of Plus Computer Solutions. "A great deal of effort was put into the website to give our customers and prospects a user-friendly site with an appealing design that offers useful information and simple navigation."

The new site also offers a portal for customers to provide product feedback directly to Sage Software, a comprehensive training schedule, and current product promotions. A Web store will be available in the near future.
