

About Us

Covenant Homeland Security Solutions (CHSS) was founded in 1992 as Worldwide Security Services, Ltd., and is currently headquartered in the Metropolitan Area of Washington, D.C.

- We are a “World Class” security company who is proactive, innovative, flexible, agile, and responsive to meet customer needs
- We provide the “Best Value” to our customers by being:
 - Experts in Security and Protective Force Operations
 - Provide a holistic approach to the solution
 - Data Driven, Results Oriented
- We use cutting edge technology and management techniques as “security force multipliers”:
 - Information Technology
 - State of the Art Innovative Management Approach
- We have extensive past performance
 - “We have been there and done that” in an outstanding manner
- We believe it is our duty to provide the first line of defense for the protection of our customers and homeland
 - “It’s not just a contract...it is our mission!”
- We believe in being an integral part of a customer’s security management program
 - “One Team...One Fight”
- We have the capability to provide our customers a full menu of capabilities to include canine operations (train, procure, manage)
 - A proven deterrent and security force multiplier

Our Vision

The “World Class” security service provider of choice.

Our Mission

To provide world class security services to our customer acting as a first line of defense for the protection of our homeland to ensure a strong, free, and secure United States of America.

Our Values

Customer satisfaction, corporate leadership, citizenship, responsibility, ethics, honesty, and teamwork.

Our Code

I am a member of Covenant Homeland Security Solution’s team of Security Professionals. I and my colleagues constitute a Total Force Team and the first line of defense for the protection of our homeland. I will discharge my duties with pride – lead by example – and through my actions, demonstrate the highest standards of appearance, performance and competency. When challenged, I will act firmly but with courtesy and restraint, exhibit flexibility without vulnerability, and maintain control with sensitivity and reasonableness. Above all, I am an American serving to help safeguard my country, accountable for my actions and dedicated to ensuring a strong, free and secure United States of America. “The Price of Freedom is Eternal Vigilance”

Leadership

James Mecsecs
President , Covenant Homeland Security Solutions
 Colonel, USAF (retired) Jim Mecsecs possesses more than 30 years of security experience, which encompasses nearly all areas in the government security arena and the United States Air Force. He was most recently with Science Applications International Corporation (SAIC) where he was responsible for several high level U.S. Government security programs.

Louis L. Fuertes
Senior Vice President
Homeland Defense Solutions

Colonel, USA (retired) Louis Fuertes has over 28 years of experience in force protection, law enforcement and security industries. He has extensive qualifications on developing and implementing plans, policies, and procedures for law enforcement, industrial security, personnel security and related force protection activities.

William E. Holden
Senior Vice President
Security Operations

William "Bill" Holden has more than 30 years in civil aviation, most recently as VP of Operations for Covenant Aviation Security. He has received extensive training as a Ground Security Coordinator (GSC) and was responsible for the security operations at Boston, LaGuardia, and Washington, D.C. National Airports. Bill is an U.S. Army veteran and currently oversees all contracts for Covenant Homeland Security Solutions.

Cynthia Lunningham
Director
Business Services

Ms. Cynthia Lunningham possesses more than eight years of experience in all aspects of human resources. Her responsibilities at Covenant Homeland Security Solutions include oversight over all human resources, IT, and logistics functions.

Timothy L. Tonsor
Vice President
Canine Operations/Cerberus Farms

Timothy "Tim" Tonsor possesses more than twenty years of law enforcement experience as a military police officer in the Marine Corps and law enforcement officer. He is responsible for a successful canine explosive, cadaver, and drug detection program and oversees Cerberus Farms, our canine training facility.

WHO WE ARE

With more than a decade of experience, Covenant Homeland Security Solutions is one of the leading American owned and controlled security companies in the nation providing a wide range of high end protective force and technical security solutions to our U.S. Government clients nationwide.

Our clients receive personalized attention and an outstanding level of customer service. We pride ourselves on providing good value.

With more than 500 highly trained security professionals throughout the country, we set the standard in security preparedness and responsiveness.

WHAT WE VALUE

We believe in "Mission First – Customer Always," which means that while we are always on guard, we understand that our clients comes first. This commitment of excellence to our Covenant Family of Clients such as the Department of Energy, the Transportation Security Administration, Kimberly Clark Corporation and others is why they have entrusted us with their security needs.

Covenant Family of Companies

Covenant Services Worldwide (CSW) is a 100% American-owned and managed company, which offers practiced skill at transitioning the most challenging of security objectives involving demanding time lines and unique security and logistical issues.

Covenant Services Worldwide was founded in 1992, under the name of Worldwide Security Services, to provide highly trained and motivated protective security forces to government and select commercial customers. Building on our reputation for first class delivery of high-quality service and cost-effective contract adminis-

tration, CSW has enjoyed over thirteen years of growth, extending its core competencies, while maintaining an unparalleled commitment to performance.

CSW is a DCAA-compliant, financially mature company, with resources sufficient to mobilize contract transitions swiftly. As a seasoned government and commercial service provider, CSW has extensive experience managing complex, multiple location commercial and federal projects. We provide a flexible, professionally-trained, properly equipped and highly motivated work force.
