Need a Quotable Source in the Moving Industry? Award-Winning Entrepreneur Louisa Benjamin-Bohm Can Help!

Shleppers' Famous Founder Knows Moving, and Makes for a Highly Knowledgeable Resource

Navigating the ins and outs of the moving industry can often be a challenging task. Luckily, leading Manhattan moving expert Louisa Benjamin-Bohm, is here to help.

As the founder of Shleppers, one of New York City's most successful movers for more than 30 years, Louisa knows moving like nobody else – she knows the way the industry works, what customers want, and how to help anyone make their move a little more stress-free. Louisa would be delighted and honored to serve as a Quotable Resource for you, whenever you've got a story on moving, storage, or relocation in the works. And best of all, she's a dynamic success story – a woman achieving great things in a field typically dominated by men.

Louisa's innovative approaches include input on the following:

- Moving Tips & Tricks
- "Giving" Moving -- Using a move as a chance to give back to the community
- "Green" moving – how to make your move environmentally friendly
- Seasonal Moving & Storage – making the most of your space
- And more!

Contact Louisa today for a lively, entertaining and knowledgeable guest who can help your audiences make their next moves in comfort and style -- stress-free! She is a highly popular and sought-after speaker who has been a guest on several radio and television shows, including:
