Resorts for Timeshare Resales

In less than five years, Sell My Timeshare NOW has become the recognized global leader in the advertising and marketing of timeshare resales and rentals via the Internet, averaging over two million website visitors per month.

*The Sell My Timeshare NOW list of **HOT 100** properties features the one hundred timeshare resales or timeshare rentals that received the most offers to buy or rent, through SellMyTimeshareNOW.com—a **grand total of 48,532 offers in 2007!***

Eight of the timeshare resort properties that made the top ten in 2006, are also in the top ten this year. The Manhattan Club and Marriott's Ko Olina Beach Club, moved into the top ten, taking ninth and tenth place on the list.

Interesting trends include four timeshare resorts in Hawaii on the list, as the top demand location, and four Marriott timeshare resorts in the top ten, as the resort brand that shows up most often on the top ten list.

“The resale market is an excellent way to buy a timeshare because, in most cases, you're buying direct from an owner. Most potential buyers have done their homework, have a good idea of what they are looking for and the price range they are comfortable with.”

“When people buy a timeshare, they are essentially buying a future vacation at today's prices and saving on the costs of a hotel, which in many cases is far higher per day than the cost of a timeshare.”
