

...designed with you in mind

Haines knows your time is valuable, so we've made V4i incredibly fast, simple to use, and with more up-to-date information and tools to help you find, research, and reach prospects.

In addition to all the information and search tools available with V3i, our latest version includes these features:

Faster...

- V4i is entirely web enabled. Just go to our website and enter your user name and password
- Perform faster searches
- Print reports, lists, and postcards in a fraction of the time
- Export records with greater speed

Easier...

- New design makes entering search criteria and finding matching records a breeze
- State and National Do Not Call Records will be updated daily, making it easier to comply with regulations
- Display results using MapQuest, featuring the easiest to read maps on the web

Plus, receive unlimited live training through **Haines University Webinars.**
