Leslie,

Councilmember Jack Weiss is the one who is responsible for scheduling items in the Public Safety Committee. He is the committee chair. This matter (S.O. # 40) has been waiting for Mr. Weiss to schedule it for months. It can be scheduled in Public Safety and heard at any time Mr. Weiss decides. The City Council's Public Safety hearing is totally independent from the Police Commission and or the Police Chief. Mr. Weiss is the only one who can state why he is delaying the hearing on the matter.

Councilman Dennis P. Zine
