## SWK Technologies Selected as Intuit Solution Provider

### Business Software Solution Provider, SWK Technologies, to offer QuickBooks Enterprise Solutions to businesses in Central and Western New York State

Livingston, NJ—July 7, 2008—SWK Technologies announced today that it has been selected as an Intuit Solution Provider. SWK Technologies offers a full range of value-added consulting services for QuickBooks Enterprise Solutions® ([www.quickbooksenterprise.com](http://www.quickbooksenterprise.com)) developed by Intuit Inc., a leading provider of business and financial management solutions for small and mid-sized businesses, consumers and accounting professionals.

The Intuit Solution Provider Program will enable SWK Technologies to better serve regional clients and build their business through the sale, implementation and service of integrated solutions. The program's lead offering, QuickBooks Enterprise Solutions, is a flexible and affordable business management solution designed specifically for growing businesses. The software helps businesses efficiently input, organize and access the information they need to manage finances, inventory, sales, purchasing and employees, and make key decisions for growth.

"We are very excited to have SWK Technologies as an Intuit Solution Provider," said Jim Gregg, director of Intuit's solution provider program. "Their expertise in reselling and supporting mid-market business software solutions and their track record for customer satisfaction make them a valuable addition to our Solution Provider network."

"SWK has recently taken on QuickBooks Enterprise Solutions for our western and central New York markets as we believe the solution to be a perfect fit for many businesses located there," said Jeffrey D. Roth, CEO of SWK Technologies. "Intuit is a dynamic and energetic company and always on the cutting edge of new technologies. We are pleased to be able to partner with them and provide a competitively priced solution to our upstate New York clients. Intuit's renewed commitment to the reseller channel has also given us confidence that they are focused on making QuickBooks Enterprise Solutions a force in the industry."

#### About SWK Technologies, Inc.

SWK Technologies, Inc. is an IT consulting company providing strategies and solutions to meet its clients' information and business management needs. The company has offices in Livingston, NJ, New York City, Long Island, Syracuse, and Buffalo, NY. As a Sage Software Select Partner, Master Developer, and Authorized Training Center, SWK Technologies offers best of breed solutions for accounting and business management, human resources and payroll, customer relationship management (CRM), job management, and warehouse management.
