Terrell & Terrell, CPAs, LLP Announces Ninth Annual Client Conference

Dallas, TX – August 6, 2008 – Terrell & Terrell CPAs, LLP, a leading professional services firm specializing in Sage Accpac ERP, is pleased to announce the date for this year's annual client conference, Accpac Thanksgiving. The conference will be held Thursday, November 13, 2008 at the Addison Conference Center.

This year marks the ninth annual conference that Terrell & Terrell has hosted for its clients. The conference is a full-day event featuring a keynote speech from a recognized authority. This year's theme will focus on hiring and retaining quality employees. Following the keynote are break-out sessions that focus on the various aspects of the conference theme. Additionally, Terrell & Terrell invites vendors who provide complementary products and services to attend the event.

"Accpac Thanksgiving is a great way for us to thank our clients for their business and an opportunity to provide valuable education for them," said Brian Terrell, CPA and managing partner of Terrell & Terrell, CPAs, LLP. "Each year we select a theme based on the needs of our clients and current events."

Last year's conference was held at the Dallas Marriott Quorum hotel in Dallas, Texas, and the theme centered around business process documentation. The keynote was delivered by Mark Russell, a partner at KPMG.

"Accpac Thanksgiving is not a typical product-centric seminar," said Nicki Wolpmann, of Truco Enterprises, LP. "As an end user of Sage Accpac ERP, I attend to learn how to maximize the use of my accounting package and discover new technologies that will help make my workflow faster, easier, and just plain better."
