

The book every RVer has been waiting for is finally here. Mark Polk, producer & host of America's most highly regarded RV training series including videos, books, & e-books and creator of "RV Savvy" as seen on TV...

presents:

# The RV Book

Your personal guide to understanding and enjoying your RV

Take an RV tour with Mark Polk and get all of your questions answered:

- What is an RV?
- RV Terminology
- Selecting your RV
- Buying your RV
- Using your RV
- LP Gas System
- Water System
- Electrical System
- Maintaining your RV
- Weighing your RV
- Winterizing your RV
- Storing your RV
- RV Towing
- RV Safety

Pop-Ups, Travel Trailers, Motorhomes and everything in between...

"After 20 years of fulltime RVing, I still discovered new information while reading *The RV Book*. Mark's book is so well written and informative... he patiently explains each basic necessity that every RVer should be aware of to assure safe operation of their RV." - Peggi McDonald, author of *RV Living in the 21st Century*
